

A Level Drama

Bridging Work 2024

Task 1

Create an A4 Research page on either:

Frantic Assembly or Gecko Theatre Company

Your research page should include:

- **Working Methods & Rehearsal techniques**
- **Characteristics of their work**
- **Productions and past performances**
- **People they've influenced/been influenced by**
- **Artistic intentions**

Please bring your work with you to your first Drama lesson in September.

Task 2

Prepare a 30-60 second monologue performance from a published play. I have attached below a website you could use to find your monologue, or you could select one from a text of your choice. You will use this monologue during the first term in September, and will eventually perform it to the class.
