

A Coppice Mathematician - EYFS

Number

- I am beginning to recognise numbers and count objects.

These are the skills I develop to help me to become a well-rounded Mathematician.

Problem Solving

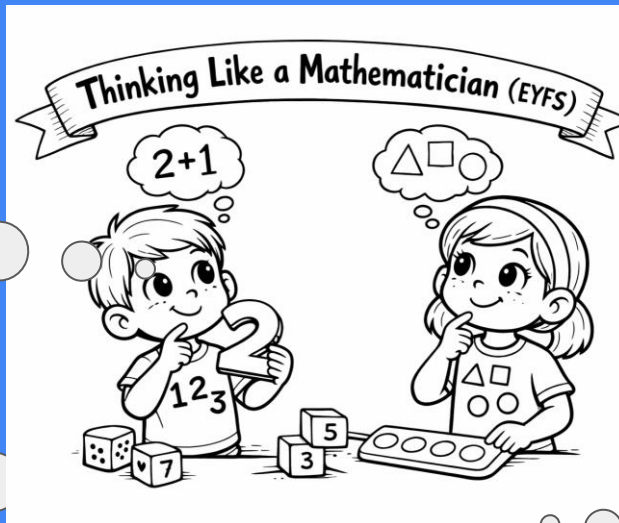

- I try different ways to solve simple problems.

Calculation

- I am beginning to add and take away using objects.

Patterns

- I notice patterns around me.

Reasoning

- I can talk about my thinking.

Mathematical Language

- I use words like more, less, bigger and smaller.
