

On Wednesday we held a 'Book Chain' assembly. During the assembly, we handed out new books from our library to children across the school. Over the next few weeks, we want the children to read them and then, at the next Book Chain assembly, they will give a quick review before passing them on to another child. This will be repeated every term.

You may notice some children wearing slightly different uniform, some children may have additional needs, and this requires us to make adaptations to meet their needs.

Thanks to the Year 5 parents who were able to join on Wednesday for lunch. Parents and carers will be able to come into school to have lunch with the children on Wednesdays. Next week, it is Year 4's turn. Booking is essential, by the Tuesday

before please. 10 parents maximum each session, with payment in advance of £3.50. Please see the office for more details. Dates of future parent lunches can be found in the diary dates section of newsletter on page 6.

On Friday afternoon we will be having our annual Pantomime, this year it was a performance of Cinderella. Thanks to all the families who were able to make a voluntary £2 donation. The children will love the show that M&M Productions have planned and we will share some photos and comments in next week's newsletter.

Next week, on Wednesday Year 2 are going to Darts Farm as part of their learning in science and learning about where food comes from. This also links to Year 2 learning about food.

On Friday afternoon, Year 4 are going on a trip to see the Bournemouth Symphony Orchestra as part of their music learning. It also links to texts that the children have been looking at in English, including the Sorcerer's apprentice.

Lastly, some reminders:

- Well done to all the children who have returned the extra library books that were borrowed for the holidays. Please can any outstanding books be returned as soon as possible?
- Admissions for primary schools' reception class (September 2023 entry) closes on Sunday 15th January. Wynstream currently has spaces for 2023-24. Click [here](#) to be taken through to the DCC Admissions portal.

Have a lovely weekend and we look forward to seeing you back into school on Monday.

Best wishes,

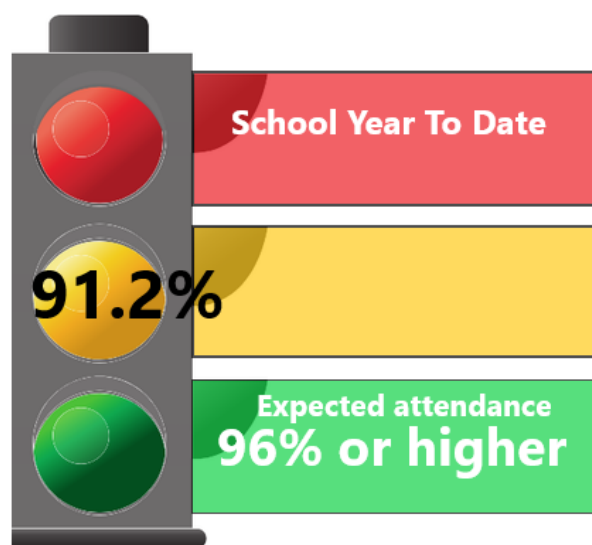

Elise Redman,
Headteacher.

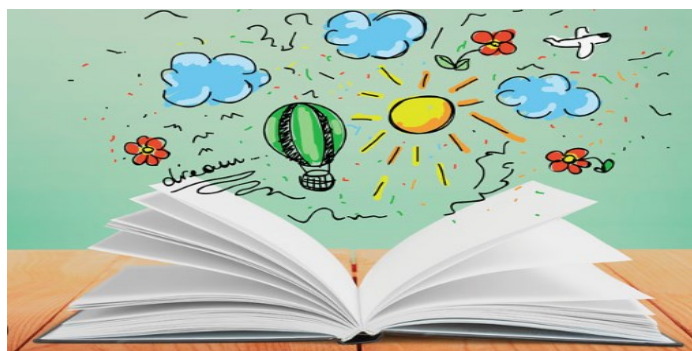

Astronomy night delayed. Thanks to all the families who signed up for astronomy night, due to the weather forecast we have had to postpone this event.

More information to follow. Due to the event depending on good weather, we are hoping for it to be between 23rd January to 3rd February but will confirm the day before.

School Attendance - Ongoing Reporting

The information above shows that whole school attendance for the dates between 6th September 2022 and 12th January 2023 is currently **91.2%**. This is **up 0.2%** versus the 91% attendance information reported last time.

Wynstream Home Reading Champions (EYFS—Year 3) Children being read with, or listened to read at home is one of the most important jobs a parent

or carer does. Children who are read with regularly at home learn to read much faster, have a love of reading and do significantly better in all areas of their learning. We are celebrating children who have read at home by giving them a shout out in our weekly newsletter. **Please record all home reading in your child's yellow reading diary (Reception to Year 3).**

Well done Wynstream Home Reading Champions, and thank you to the grown ups taking the time to read with their child.

Resilience

Over her time this year, coming into school has been tricky. Recently though, she has worked hard to ensure she is in school each day ready to complete her learning. It is lovely to have her approaching adults with a smile on her face to share news or achievements with them. So many adults in this school are proud of you, more than you would realise. Well done on throwing yourself into school life and your learning. The progress you are already making is clear to see.
