## SUMMER TERM 2025

### A MESSAGE FROM MR. MORGAN

Welcome back to the final half of our summer term here at Trelewis Primary School. I trust our pupils had a good break over half term - after what has been a very short but busy start to our summer term.

Across the school pupils continue to enjoy taking part in their learning activities and there have been lots of visits and enrichment taking place across the school to build on our pupils engagement at school.

Summer term continues to be a busy term for us with lots of exciting events coming up. Please do make sure you check dates on the newsletter and in the app so that you don't miss anything.

I look forward to continuing to work with you all in these last few weeks of the academic year. Thank you all for your ongoing support of our school - it is very much appreciated.

*Mr. Morgan*

### MERTHYR LITERATURE FESTIVAL

Last term pupils in Year 4 had the opportunity to attend the Merthyr Tydfil Children's Literature Festival. It was a fantastic event where pupils were able to hear from Welsh children's authors, talk to people from the BBC about roles in TV & media and of course enjoy some of the stalls that were on offer as well - all promoting a love and enjoyment of reading. It was a fantastic day and the pupils were a credit to the school! Da iawn Blwydden 4!

### SPONSORED FUN RUN

On Friday 4<sup>th</sup> July we will be holding a sponsored fun run at the school where pupils will be invited to dress up in fancy dress and complete a set course to raise funds for our school. Sponsor forms will be sent home shortly, with all proceeds going to the work of the school.

### SCHOOL IMPROVEMENTS

At Trelewis Primary School we are always listening as to how we can improve the school. Our Pupils had expressed some improvements they wanted to see around the school environment including; a library that was easier to access, markings on the school yard to support with play, a new mile track and a 'quiet zone' for breaktime. We were able to make these upgrades to various areas around the school this term which our pupils are making full use of!
