

Installing Text Help at home

- Open a browser and navigate to **Text.help/gethome**
- Scroll down the page and click on **"Try Read&Write"**
- Select Windows GB EN from the list – this will now download the software into your downloads folder
- Once downloaded, install the software and wait for a Read&Write icon to appear on your desktop
- Launch the software by double clicking the Read&Write icon
- Next you will see a small icon appear in the upper right-hand side of your screen  click on the purple "rw" logo
- This will open a new browser, asking you to authenticate your software
- Select "Sign in with Microsoft" and enter your school email address & password
- Read&Write should automatically unlock and display a full tool bar, as shown below
