This week's ENGLISH

Grammar – nouns and verbs, homophones (e.g. too, to, two) and sentence types (statement, command, exclamation, question)

Writing – writing in first person about own experiences: an activity during half term SEE HOME LEARNING TASK

Cross curricular English/Science – non-fiction writing: life cycle of a bean

Things to note:

Please look at the Knowledge Organiser to see what key learning we will be doing after the half term.

Forest School Please bring in wellies every Monday and appropriate outerwear according to weather.

HOME LEARNING TASK

Your child should have brought home a piece of paper to draw a picture of one event/experience from their half term week. Please also add key words. This could be a trip to the park with friends, a visit to a relative's house, an activity they have done at home or an activity on a holiday or trip away. Please bring this to school on **Monday 1st June**. The children should be ready to write about this real-life event in their English lesson so please choose one activity they enjoyed and can write about in detail! We know they love to tell us what they have been up to 😊

This week's TOPIC

Science – Working scientifically: observation over time, life cycle of a bean

History – time line about Punch and Judy

P.E – jumping

I.T – Entering Data

D.T – Pivots, levers and linkages

We have seen an increase in small toys making their way into the classroom which is a distraction to the children's learning. PLEASE ENSURE THAT YOUR CHILD IS NOT BRINGING TOYS INTO SCHOOL UNLESS THIS HAS SPECIFICALLY BEEN AGREED AS PART OF YOUR CHILD'S PERSONALISED LEARNING PLAN.

We have sent lyrics home for our sing up picnic day song - please feel free to practise! We hope you have a lovely half term holiday.

Thank you from the Year 2 Team
