

Lovelace Primary School Newsletter

Welcome back to all of our families!

What a fantastic start to the year we have had at Lovelace Primary School!

We have welcomed our newest learners this week into Reception and Nursery, and I have been so proud of how quickly they have settled in to their new routines and learning.

A reminder that we will be having a '*meet the teacher*' event for nursery to year 5 on **Tuesday 24th September 3.15 – 4pm** where we welcome you to pop into school and to visit your child's classroom to see where they sit, to look at their books and to talk informally to their class teacher. If you would like a more formal and individual meeting about a specific matter, then please contact the office and this can be arranged for you on another date.

We look forward to seeing you!

A very big thank you to everyone who has made Mrs Fairweather feel so welcome since her arrival at Lovelace. She has made such an impact already joining our senior leadership team as our *Senior Strategic Leader for School Improvement* this year as we focus on the development of our school towards the future.

Please can I remind families that if your personal details have changed over the summer for example you have moved house or your telephone number has changed please can you inform the office to ensure our records are up to date.

Best wishes

Miss Dixon

Achievements

Our Attendance percentage this week is:

96%

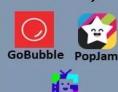

Excellent attendance is extremely important for your child's personal, social and emotional development and their academic progress.

If your child is unwell, check the guidance located here:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/> A video short of the advice is available here: [Is my child too ill for school? | NHS #shorts](#) . Children should attend school every day unless they are unwell. They should also arrive on time to school: being late doesn't give your child the best start to their learning and disturbs the learning of others.

Safe Cycling and Scooting

Thank you to all parents who carry in scooters and to children who walk with bicycles within the school grounds. Because of the uneven nature of our site and the number of pedestrians, scooting and riding is not safe inside school. 'Heelies' should not be worn in school either.
