

PE and Sports Premium Funding 2020 - 2021

Following the success of the London 2012 Olympic and Paralympic Games, the Government wanted to inspire the nation to enjoy sport and promote sports in schools. They were determined to secure a significant and lasting legacy from the Games and develop an enjoyment of sport and physical activity, promoting a healthy lifestyle in children from an early age.

Every state funded school in the country with primary aged pupils has received additional funding for sport and physical education in the academic years since 2013/14 to improve PE and Sport Provision.

Throughout the academic year, we use the PE premium to benefit the children's health and well-being and to give them access to high quality teaching and learning of PE and sports.

Colgate Primary School was allocated £22 691 in total in the academic year 2020/21.

Funding was used in the following ways:-

| Training/Activity | Funding Allocation | Impact |
|--|--------------------|--|
| South Coast Sports | £5860 | Provides a high quality teacher who raises confidence in staff and delivers strong teaching and learning in PE lessons to all classes on a weekly basis. |
| Forest Schools | £6350 | Outdoor learning and exercise, supporting children's mental health and wellbeing. 5 afternoons for each class per year. |
| Tim trail replacement | £6988 | The previous Trim Trail had needed replacing and is an integral part of the children's daily outdoor play experience. This is the second phase of this replacement. |
| Indoor PE equipment servicing and repairs | £38 | Annual checks and repairs to keep all equipment safe for use. |
| Crawley Town Premier League Primary Stars Programme. | £900 | Year 1/2 had a sports teacher supporting them for 1 day a week for 10 weeks. They also provided further PE opportunities for all classes and were a positive sports role model for the children. |
