

SHERDLEY PRIMARY SCHOOL

NEWSLETTER

A note from Mr Gawne ...

This week has been a week of sporting fun across the school as we held our Sports' Day events. The week began with our oldest children in Years 5 and 6 taking to the field to compete against their peers before our Reception children took their turn on Wednesday afternoon. It was lovely to welcome families along to watch and cheer the children on. Unfortunately, due to the field conditions following a couple of down pours this week, we did have to postpone the events for KS1 and Pre-School and we hope to be able to get the children out to compete over the coming weeks. We will announce the winning house to the children once all the scores have been counted across the events that have taken place. Thanks to our Y6 prefects for your great help too!

Today, you will have also received a separate letter from me detailing staffing arrangements for September and your child / children's new classes and teachers. Next week, school will host the annual transition 'move up days' and children will have the chance to spend three days with their new class teachers. This is a great opportunity to start to build those all important relationships ready for September and enjoy getting to spend time in their new classrooms. Year 6 children transferring to The Sutton Academy will also spend the three days at their new school. Have a lovely weekend!

Sports Day Results

Winning House	<p>Sadly the weather was not on our side and a number of Sports Days had to be cancelled.</p> <p>If possible, we will complete activities with the children during the school day / PE time.</p> <p>Winning teams will be celebrated on Monday and shared with the children, where we will award medals and stickers.</p>

Sports Days at Sherdley are focused on demonstrating respect towards each other, inclusivity, fun and coming together in sport rather than high competition.

All children participate in their houses – in some year groups, houses look like they have less pupils in, however across the school this is broadly the same.

All children contribute points from their activities across 4 days of activities. These are then totalled for an overall House winner for the entire school.

Wearing Purple for craniosyntosis!

Today, we wore purple to support Logan who was born with Craniosynostosis – a birth condition where the bones of a baby's skull fuse together too early, before the brain is fully formed.

We are so proud of Logan and how resilient he is in day in and day out!

Transition – 2nd, 3rd and 4th July

**Year 6 – transition to High School The Sutton Academy
Go straight there!**

2nd July – Reception to Y5 go to your current class.

After registration on 2nd July, teachers will collect their new class and take to their new rooms.

At the end of the day on the 2nd July, 3rd and 4th July – children should be taken to and collected from their NEW CLASS.

Monday 7th July – return to current class as normal. SLT will be around to direct and support.
