Christians believe in angels and God says you can get a book called the Bible. Islam people pray in a mosque. Islam people wear Hijab. Islam pray on a prayer mat in a mosque.

Goal: writing a diary entry. Monday 14th October 2020

To diary.

It began with a worst hog. I feel sad because no more will play with me. I have had a bad day. What will I do? I saw a friend. Will you play in the mud? I said. No I won't. He said. You look ugly. I do not say. I felt so sad. Then I saw a baby piglet from my tummy. I'm going to call youbecca. Are you hungry? You can have some milk. Oh yes I understand. Do you want some more good. I'm going to have some good. Do you want a nap. I'm not. I won't. I won't. A nap. Are you sure. Have a nap. Then I got a hieaner. We three played together. Then we went to bed. We woke up. We had presents. It was Christmas! They celebrated Christmas. They had gifts. Then we had a nap. Then we opened the presents. Then we went to bed. The End. Then it ended. Just give. The End.

Samuel Pepys was a very famous man. He had long curly hair and he was very rich. His name was Samuel Pepys. He wrote a diary about the Great Fire of London. He had a pet lion. In the 23rd of February he was born. His writing was in code so it was secret but one guy found out about his writing and his diary and then people read about his diary. He was a man to King Charles the 2nd. His hair was curly and it looked like a lion. He had some parchment where wine and paper was kept the fire got to it but did not know that the fire kept at the end of the street. Samuel Pepys got old and his eyes started to hurt so he had to stop writing his diary and he died at the age of 72 and his wife Elizabeth died after him.

LONDON NEWS

LONDON ON FIRE!

The King and Queen were shocked. They said we should not do it. OR said the King. Queen Elizabeth was Samuel Pepys's wife. She said "I don't want to be a queen ever again." Said Elizabeth. We will see each other again. We will stay together. We will get together. OR said Samuel Pepys. "What should we do?" said Elizabeth. King Charles was wondering where Queen Elizabeth was. Where is she? King Charles the 2nd was her. Elizabeth was a good Queen. Said the King. Is it ending?

London was on fire. We are sad. We are sad. This terrible fire did not stop. It started in Tomes Farm. The fire was very big because of the wind. The fire was going to the east. King Charles the 2nd was shocked. 300 houses got burnt down.

Samuel Pepys was shocked to see the fire spread.
