Learning Map for Year 6: Autumn 2 2026

Please encourage your child to read each day

Year 6

Science

Electricity
Associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit
Compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches
Use recognised symbols when representing a simple circuit in a diagram

Computing

Computing systems: Understanding hardware, networks and security:
Exploring how computer systems work, focusing on hardware, networks, data storage, data packets, troubleshooting and security.

PE

Indoor PE – Balance, Pilates and Cool Core

Outdoor PE: Netball

English

Stories based on real life: Windrush Child by Benjamin Zephaniah
Engaging and empathising with the story. Infer character motives and feelings with evidence from the texts.
To explore how author word choice impacts the reader.
To compare books from the same genre and confidently expressing viewpoints.
To actively seek the meaning of new vocabulary introduced using a range of strategies.

Writing for a range of purposes
Persuasive Advert – to convince a group of people to board the Empire Windrush and go to England
Diary of a Windrush Child – To empathise with a character and explore their dilemmas.

Spanish

Planets
In this unit, pupils will learn more about the planets and the Solar System. They will learn a key set of adjectives and will apply knowledge of adjectival agreement to describe the Solar System elements in the foreign language and will also work on creating longer and more detailed sentences, with conjunctions and intensifiers to extend their descriptions.

Geography

Geography: Why does population change?
Examining global population patterns by investigating why some places are more densely populated than others.

DT

Electrical: Creating a Steady Hand Game
Design and develop a steady hand game using a series circuit

Music

Songs that speak:
Lyrics and messages

Maths

Exploring equivalent fractions, simplifying fractions, addition and subtraction of fractions.
Multiplication and division of fractions.
Finding fractions of amounts.
Converting between units of measure.

PHSE

Friendships, stereotypes and bullying
Explore respectful relationships and what to do if a relationship is not a positive one.
Recognise and challenge stereotypes and prejudiced or extreme views.
Identify who can help us

RE

What do Christians believe about the Messiah?
Exploring the connections, as most Christians see them, between prophecies in the Old Testament about the Messiah, and events from the life of Jesus.
