SEABROOK NEWS

BOOK WEEK

Last week our school celebrated Book Week, and what a fantastic week it was! The whole school came together to share a love of reading through a range of exciting activities.

One of the highlights of the week was our Book Character Dress-Up Day. The children arrived in school wearing some wonderfully creative costumes inspired by their favourite book characters. We saw everything from magical wizards and adventurous explorers to some very imaginative mash-ups of different characters! It was fantastic to see so much creativity and enthusiasm - well done everyone!

We also held a Book Swap, which was a great success. Children brought in a book they no longer needed and swapped it for a different one to take home. This was a wonderful way to share stories with one another and give books a new life in a new home. We hope everyone is enjoying their “new” book!

Another special event was our online draw-along session with an illustrator, where we invited parents and carers into school to join us. Families enjoyed following step-by-step instructions to create their own illustrations together. It was lovely to see adults and children sharing this creative experience and discovering how pictures can help bring stories to life!

Throughout the week, pupils also took part in online workshops with authors, who shared their writing journeys, read extracts from their books and gave the children tips on how to develop their own stories and ideas. The sessions were inspiring and sparked lots of enthusiasm for reading and writing across the school.

Our Reading Ambassadors played a very important role during Book Week as well. They led a special worship focused on the joy and importance of reading, and during lunchtimes they spent time reading stories to some of our younger pupils. It was wonderful to see older children sharing their love of books and helping to inspire younger readers.

Finally, we would like to say a big thank you to all of our parents/carers for supporting our Book Week events. Your encouragement helps us continue to build a strong reading culture in our school. We hope the week has inspired everyone to pick up a book and enjoy a good read together!

Happy reading!

SAFETY IN ACTION

Year 6 attended a 'Safety In Action' workshop at the Three Hills last week, where the children were able to discuss and learn about personal safety situations based upon realistic life situations through interactive experiences and engaging activities.

YEAR 5/6 FOOTBALL TOURNAMENT

Last week, some of our Year 5 & 6 footballers visited the Three Hills, where they took part in a football tournament with other local schools. They thoroughly enjoyed all of their matches and were fantastic ambassadors for our school. Well done to them all, we are very proud!

ATTENDANCE

Congratulations to those children who have received our new attendance awards for either 100% (or narrowly missed) attendance so far this year. We look forward to handing out more attendance awards as the year goes on!

YOUNG VOICES CONCERT

What an unforgettable night we had last week at The O2 for Young Voices 2026!

Our incredible choir performed as part of a huge group of 8,733 children at Young Voices – and they absolutely shone! From the first note to the final applause, their energy, confidence and joy filled the arena. Performing in front of thousands in such an iconic venue is no small achievement, and every single one of them rose to the occasion.

We are beyond proud of their hard work, dedication and the way they represented us so brilliantly. Our choir were lucky enough to be seated right behind the stage this year and we were even treated to a shout out during rehearsals from the famous Andy, the creative director who teaches us the dance moves for the show.

Well done to all of our amazing singers – you were outstanding!
