

<u>Term</u>	Wb 23 rd Sept	<u>Date</u>	Autumn 1
-------------	--------------------------	-------------	----------

Information

- The focus for Miss Grimsley’s Tea party at 2pm on Thursday the 3rd of October is how to keep children safer online by protecting their devices.
- Frustratingly, I am still receiving hostile communication from neighbours due to disrespectful parking. I would appreciate it if all parents parked responsibly and acted respectfully. When looking at the pictures of the parking below please consider how anyone, including those with buggies or use wheelchairs, can pass these cars.

- In this morning’s assembly we discussed what makes us happy, with children stating things such as family, friends, rest, music and playing with their friends. I talked about the importance of, making the correct choices, diving in (to learning and life!) and being kind in helping us all to be happier.
- On Wednesday we have our first of two Eisteddfods. An Eisteddfod is a Welsh tradition that celebrates the arts, we will be focusing on wonderful examples of literacy.
- On Friday we’ll be having our first ‘day of peace.’ We invite children and staff to wear clothes that encourage peace (not hostility). Should any wish to donate, their offering will go towards ‘Operation War Child,’ which is our chosen charity. Our hearts go out to all of those around the world who are experiencing hatred, persecution and hostility and urge leaders to make decisions based on peace.
- £291.20 was collected for Jeans 4 Genes.
- The Senior Leadership Team met last Wednesday and have decided to make general curriculum and reading our School Development Priority Areas for this year. Once I have written the School Development Plan, I will put it on our website for those that are interested. In the meantime, feel free to catch us and ask if you want more information.
- In addition to the above we will continue to focus on presentation, handwriting, uniform and reliability (attendance and punctuality).
- Thank you for attending our Summer Fair – I thought it was a wonderful event that further strengthened our community. Thank you to everyone that came and to the staff that gave up their time to run the stalls. Thanks to Miss Grimsley and Ms Whiteside for organising the whole event. £357.29 was generated from this year’s event.

This week’s assembly focus

Happiness: What does it mean to be happy?

Spotlight

Physical Health

Is your child’s attendance low? This will impact on their well-being, social life and academic progress attainment. If the answer to the above question is yes, then do you encourage them to have a healthy lifestyle and eat healthily so that they are not more likely to be ill and are in school? Please consider the answer to the above questions and evaluate what can be done to help your children. We are all on hand to help if any parents would like guidance.

One of the most important words a parent can use is ‘no.’ It is important the children are advised to eat properly and maintain an active lifestyle – saying no to unhealthy food choices, too many inactive choices and inappropriate viewing material is critically important for children’s well-being.

If possible (including when it’s raining) walk to school, demonstrate good role-modelling to your children.

Celebrations

-  Congratulations to Luqman from Y5 on passing his piano exam
-  Congratulations to 6DB and 6LB for perfect punctuality (reliability)
-  Great attendance from Nam (again), 1J, 2C, 3G and 5B who will now get a go on ‘Classopoly’ on Friday!
