

St Mary's C of E Primary School

Hedgehog Class Weekly Newsletter Friday 2nd December 2022

Dear Families,

Can you believe it's already December!

Our Christmas production is well underway - thanks for all the line practising and costumes, we can't wait to perform for you next week!

It was lovely having parents in class this week witnessing our phonics lesson. We hope to invite you to another lesson soon, perhaps a different subject and a different time slot.

We have finally finished our addition and subtraction topic in maths and the children are very excited to learn all about shapes and their properties. **If you have an opportunity at home, please continue to practise adding and subtracting any 2 two-digit numbers!**

In English we have learnt about commas in a list and we have designed our own setting for a sequel to The Man on the Moon!

Reminders of the week:

- **Extreme reading challenge photos if you haven't sent it yet**
- If anyone would like to help out/support in class as parent helpers please let me know.

I have added photos of some of the extreme readers we have received!

Have a good weekend and see you next week!

Warm regards,
Mrs Reeve

Key Instant Recall Facts

Year 2 – Autumn Term 2

By the end of this half term, children should know the following facts. The aim is for them to recall these facts with speed and accuracy:

I can count, read and write numbers to 100 in numerals

Children should be able to recall, read and write ALL numbers from zero to one hundred in numerals.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Key vocabulary

20 = twenty 21 = twenty-one
 22 = twenty-two 23 = twenty-three
 24 = twenty-four 25 = twenty-five
 26 = twenty-six 27 = twenty-seven
 28 = twenty-eight 29 = twenty-nine
 30 = thirty 40 = forty
 50 = fifty 60 = sixty
 70 = seventy 80 = eighty
 90 = ninety 100 = one hundred

Top tips

The secret to success is practising *little* and *often*. Use time wisely. Can you practise this KIRF whilst walking to school or during a car journey? You do not need to practise all aspects of the KIRF all at once; perhaps you could have a fact of the day, or a few facts per week to practise? If you would like more ideas, please speak to your child's teacher.

Practical resources and ideas

Use a hundred square (you can print these off online or ask your child's class teacher for a copy) and hide different numbers with counters. Ask your child to say and write the hidden numbers in numerals and words.
