WELCOME TO YEAR 1!

WE HOPE YOU HAD A LOVELY SUMMER BREAK!

We have been spending the summer holidays preparing for the arrival of your children in Year 1. We are eager to make some amazing memories together through learning and providing experiences for every child to try new things. We are working on planning some great experiences and trips for Year 1 in the Autumn term that are cost free as we know the cost of living is having a huge impact! Please help us to build their love of learning by ensuring your child is ready for school each day with the correct equipment, uniform, reading book and *signed* reading record.

We provide you with information via newsletters, emails, the Pennine Way Facebook page, face to face communication where necessary and our year group email address year1@pennineway.cumbria.sch.uk. Staff are always happy to listen and help with any queries so feel free to email us or catch us at the end of the school day! (Absences should go through the office).
