

ARE ALL ANIMALS THE SAME?

This week's MATHS

Multiplication

Make equal groups by grouping <https://vimeo.com/775764111>

Make equal groups by sharing <https://vimeo.com/775764254>

2 times table <https://vimeo.com/775764419>

Dividing by 2 <https://vimeo.com/775764538>

This week's ENGLISH

Grammar – exclamation sentences, subordinating conjunctions

Writing: writing a letter to Ellie (Diary of a Killer Cat).

Plan, draft and edit.

Handwriting– *es, rh, nm*

This week's TOPIC

Science – Famous scientist study: Jane Goodall as well as notice that animals, including humans have offspring which turn into adults

Geography – How do animals adapt to hot and cold environments?

Art – plan and create 3D animal mask sculptures

Digital citizenship – Explain how passwords can be used to protect info, accounts and devices

R.E – I can explain the Sanatani belief in the Trimurti and what each deity represents

PSHE – recognise how my body has changed since I was a baby

Things to note:

Please look at the Knowledge Organiser to see what key learning we will be doing. Our topic is animals.

Forest school on Mondays – please send in a change of trainers/wellies as children **need to take off their muddy shoes to come back into school!**

We still need to collect cardboard for our art project. Thicker Amazon boxes/shoe boxes welcomed- please send in ASAP. See image above for reference of the 3D animal masks we are going to be creating. Thank you
