Year 7- Middle ability
Work pack 1

Enjoy having a go at the science skills activities inside this pack.

We really hope you have fun doing some of these activities!

The Science Team 😊

Task 1

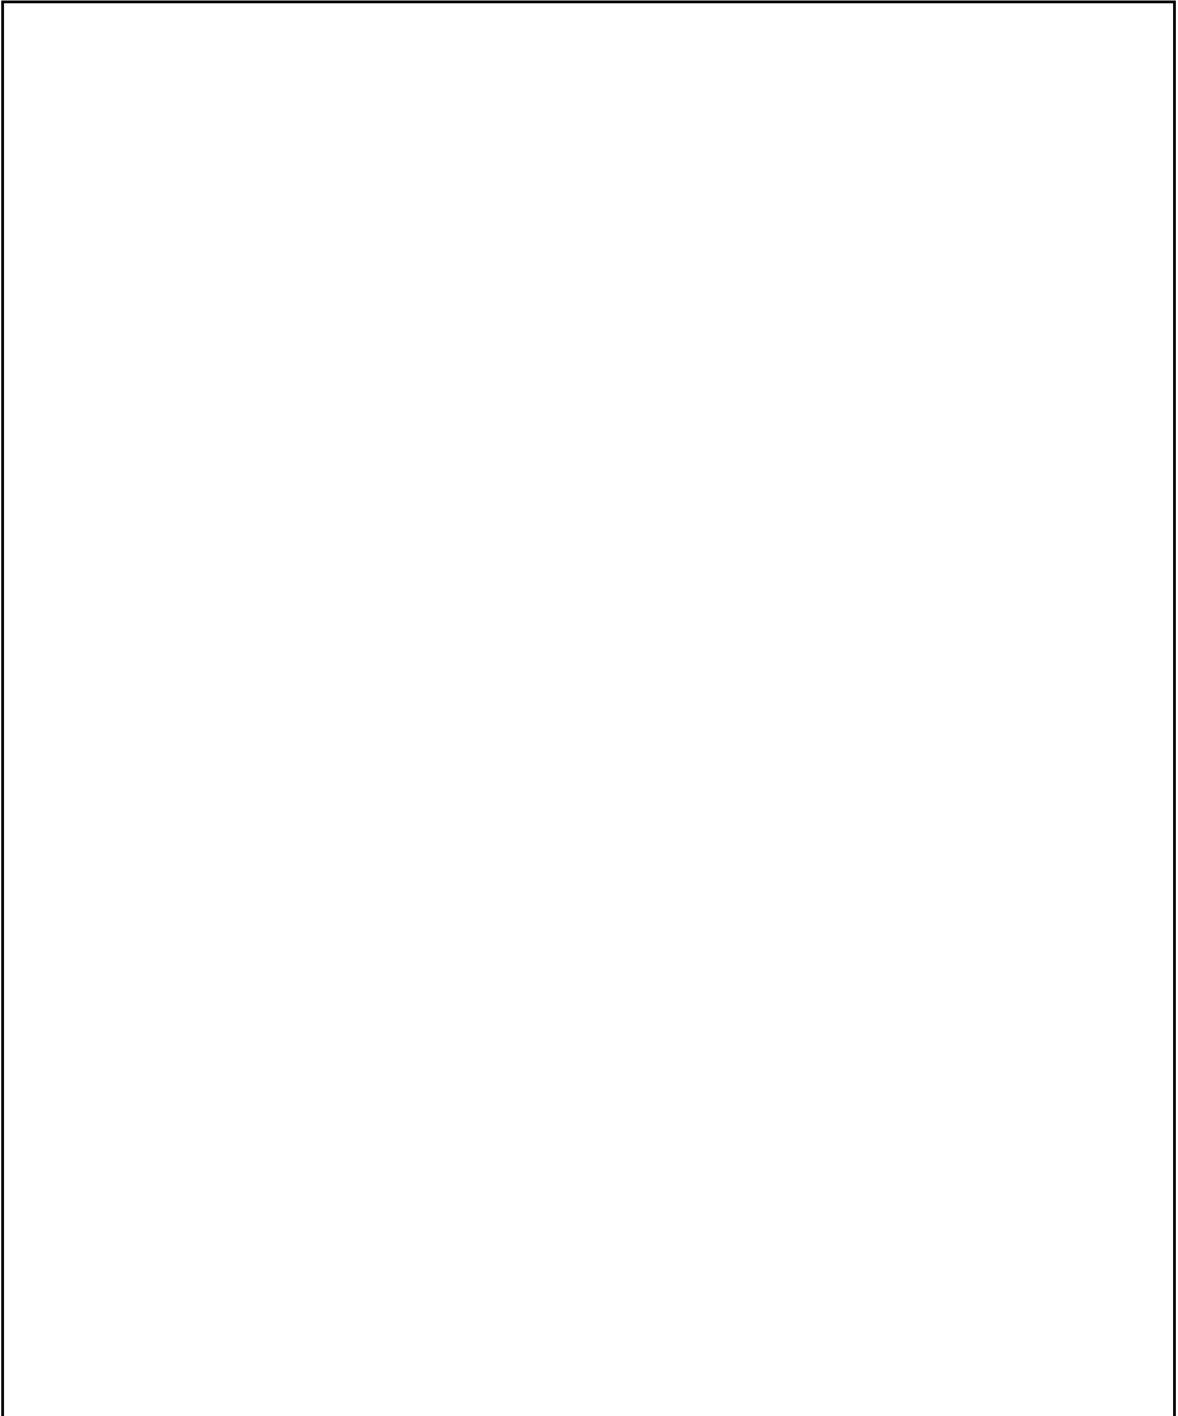

Look at the science lab below. Can you circle all the dangers?

Can you write down one thing a pupil is doing wrong?

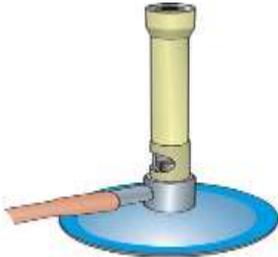

Task 2

Can you design your own safety poster we can put in the science lab?

A large, empty rectangular box with a thin black border, intended for the student to design their own safety poster. The box occupies the lower two-thirds of the page.

Task 3

You are a great scientist! Can you remember all these items of science equipment?

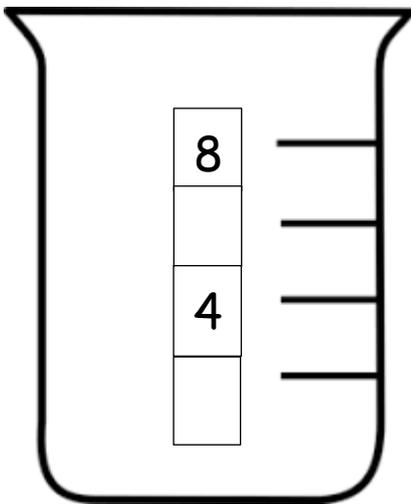

Which of these can be used to heat water?

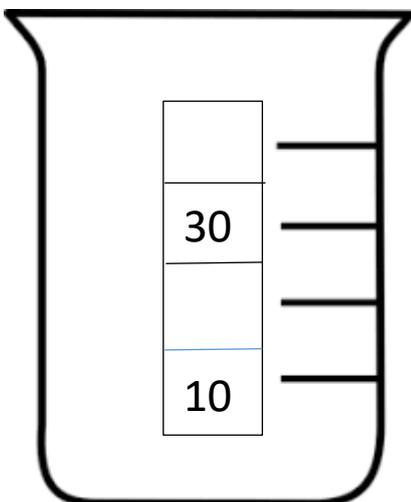

Task 4

Read the scales on each beaker.

1. Can you fill in the missing numbers on each scale?
2. Next to each beaker name one thing you could put in the beaker.

I could putin.

I could putin.

Task 5

You have been a super scientist! For fun can you colour this student doing an experiment?
