Year Group	<u>Six</u>	Term	<u>Spring</u>
------------	------------	------	---------------

At Kings Road we have been asking ourselves serious questions regarding the purpose of homework. We would like activities at home to be enriching and to develop certain values that will help to develop the whole pupil. We think that the most important attributes towards a successful life are listed above. As such we have designed 4 programmes during each year group. Each child must complete 5 of the activities listed below. In order to achieve the Mr Morgan Gold Award for this year group the pupil must complete all 45 activities during the year. To achieve silver 40 activities must be completed and 35 for the bronze award.
