## Abbey Park Primary School Enrichment Overview 2025 - 26

### What we offer:

Lunchtime and after school clubs that allow children to explore more about their own personal interests (TTRS club, Dodgeball, Zumba, Buzzed and Wired).

School plays and talent shows to help children tap into their creativity (Young Voices, Nativity).

Forest schools – outdoor learning that is designed to nurture a lifelong interest and relationship with nature.

School activities that support a particular charity, and allow children to plan their own fundraising events (Air Ambulance, Race for Life).

Science days, which focus on an area of the subject for a full practical investigation.

Book weeks to encourage pupils to read certain, topical books of interest (World Book Day).

Theme days or 'wow' activities. (Interhouse events, Commonwealth Day)

Any time we bring drama or D&T into our curriculum.
