This week in Reception

Week beginning 9.11.26

Phonics

In Phonics this week, we will be saying the phonemes ' v, w, x, y' and recognising the graphemes 'v, w, x y.' We will be reading on sight: put, pull, full. We will be learning the 'tricky' words: has, her and his. We will be spelling: fat, sock, sad, hug and rock.

Please let your class teacher know if you are able to help on either the Beech class or Cedar class walk to post our letters to Father Christmas on Wednesday 25th November.

What we are learning:

Our learning this week is based around the festival of Diwali and the story and traditions around this festival of light. We will be sharing the story of Rama and Sita and answering comprehension questions. Then, we will be retelling the story, taking on the roles of the different characters behind masks. In addition, we will be designing our own rangoli patterns using symmetry.
In maths, we will be focusing on the numbers 4 and 5. We will be looking at different combinations of 5 and questioning whether different groups of objects have more or fewer. We will be looking at the same and different and contemplating what 4 looks like and what doesn't constitute 4. We will be starting to explore that the concept that parts of a number together make a whole.

Sound out and blend to read the following words:

Peck

Jug

Wet

Wig

Wax

Fix

Yap

And finally: Please continue reinforcing our letter-sounds of the week at home.

Thank you for all your support

Reception Team
