

Abbey Park Schools Federation

Enrichment Overview 2024 - 2025

What we offer:

- Lunchtime and after school clubs that allow children to explore more about their own personal interests (TTRS club, Dodgeball, Zumba, Buzzed and Wired).
- School plays and talent shows to help children tap into their creativity (Young Voices, Nativity).
- Forest schools — outdoor learning that is designed to nurture a lifelong interest and relationship with nature.
- School activities that support a particular charity, and allow children to plan their own fundraising events (Air Ambulance, Race for Life).
- Science days, which focus on an area of the subject for a full practical investigation.
- Book weeks to encourage pupils to read certain, topical books of interest (World Book Day).
- Theme days or ‘wow’ activities. (Interhouse events, Commonwealth Day)
- Any time we bring drama or D&T into our curriculum.
