Introduction

At Lovelace Primary School we are committed to promoting the education of looked after children and previously looked after children. We understand that vulnerable students are best supported with high quality teaching and whole school awareness of trauma informed practice.

Lovelace Primary School has a Designated Teacher (Hayley Siddle) who is responsible for meeting the needs of this group of pupils. The post holder is a qualified teacher and is empowered to have whole school influence.

We also work closely with Kingston Virtual School in supporting the needs of our Looked After Children ([Achieving for Children - Home](#)) and children previously looked after ([AFC - Previously looked-after children - Home](#))
