Dear Parents and friends of the school

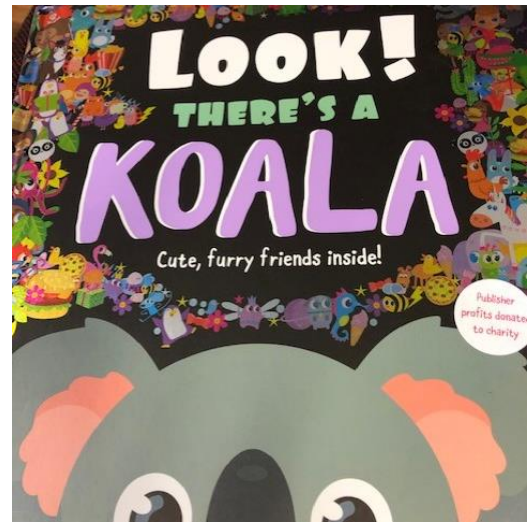

Author visit

We were thrilled to have author Caryl Lewis in school reading her new book and telling us stories and giving tips on writing, as well as signing books for the children. Each class has a copy of the book which I am sure they will enjoy. I would recommend it for older readers. A big thank you to Borsoi Bookshop for organising this event. It's lovely to do something normal and have visitors in school.

Birthday books

It was Mrs Cloughs 50th birthday and she kindly donated this lovely book to Class One, a big thank you to her. There are things to spot on each page, a bit like Where's Wally. I am sure Class One will love it.

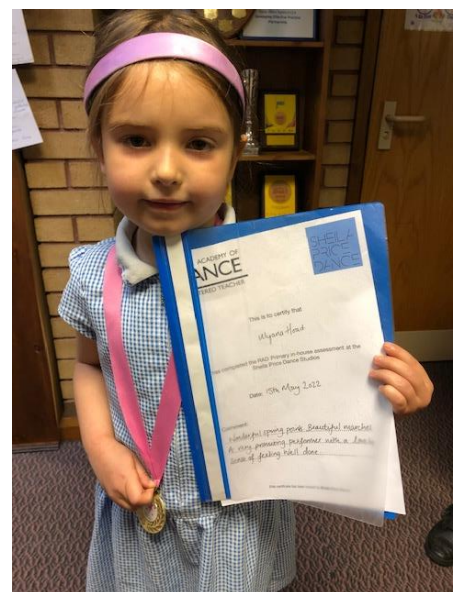

SUCCESSES OUTSIDE SCHOOL

Ulyana has done exceptionally well at her ballet over the weekend and was awarded a medal and a certificate. Well done Ulyana.

Many of our children did well in their end of season football awards including Harrison Jones, George Powles, Harry Anderson and Alexa Totham who has also been selected for trials for Oxford United, well done to our amazing footballers.

Annabelle was awarded three medals in Taekwondo in Worcester at the weekend and then had a fabulous time looking around that beautiful city. We do have some very talented children in this school.

SPORTS DAY

As promised here are some more fabulous pictures taken by Mr Glazier of our lovely Sports day. We are glad you all enjoyed it so much. One grandparent kindly wrote the following card to us about our fabulously supportive children and families and I thought you should all read it:

*“Dear Mrs Scutt, teachers and teaching assistants,
I wanted to write and say how much I enjoyed your really traditional sports day. It was lovely to see that the children enjoyed the variety of events whether they were first through the tape or last. I commend you on the camaraderie that was shown between the older children to the younger children. You have a lovely school and great support from your staff from Carol, a pupil’s nan. “*

Have a lovely weekend and hopefully this sunshine keeps going for a bit longer so that we can all enjoy it!

Together we can succeed
