

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

27th October 2026

Dear Parents and Carers,

Many of you will know just how important our school kitchen is to the life of our school. It is so much more than a place where food is prepared. Every day, it enables us to provide our children with delicious, nutritious hot and cold meals, helping them stay healthy, happy and ready to learn. Our kitchen also plays a special role in bringing people together. Throughout the year, we have been able to welcome parents, grandparents and members of our wider community to enjoy lunches with the children, creating wonderful memories and strengthening the family feel that makes our school so special.

Like many small schools however, we are facing increasing financial pressures, and we are working hard to keep our kitchen open and sustainable for the future. We firmly believe that having a school kitchen is an important part of what we offer our children and community, and we would love your support.

One simple way you can help is by making use of the meals and snacks available from our kitchen. Whether it's ordering a school lunch for your child, choosing one of our tasty snack options, or encouraging family members to join us for special lunch events, every purchase helps to support the service and keep it running.

Together, we can help ensure that our kitchen remains at the heart of school life for many years to come.

Thank you for your continued support. It really does make a difference.

With best wishes
