## Home-School Agreement For Blended-Learning

Author	Leah Grimsley (Deputy Headteacher)
Date	24 <sup>th</sup> September 2020
Approved by	Darren Morgan (Headteacher)
Next review due by	September 2021

Excellence, in every area without compromise

## Kings Road reopening Home-School Agreement

---

**As a school we have carefully considered all of the risk factors associated with returning to school and put measures in place to mitigate those risks as much as possible. It is in working with you and your children that we will be able to make our school as safe as it can be. With this in mind, we have put together the following document which should provide clarity as to the expectations of all stakeholders.**

### **Our school**

Kings Road aims to continue to provide an ambitious and broad curriculum in all subjects.

We have extensive plans for the provision of remote education where needed and to ensure that our children that need to be educated at home, due to local or national lockdown, are given the support they need to continue learning.

Remote education, where needed, is of a high quality and aligns as closely as possible with in-school provision.

### **For children who are in school, we will do our best to:**

- Provide an environment that has been risk assessed and considered safe for reopening
- Adhere to the social distancing guidelines as set out by the government, as much as we reasonably can
- Support your child's wellbeing, such as by giving them someone to talk to if they feel anxious or overwhelmed
- Contact you if your child displays symptoms of COVID-19 so they can be taken home and allowed to self-isolate
- Inform you if staff or children test positive for COVID-19 in your child's 'bubble' and help the NHS test and trace system get in touch with you and the rest of the 'bubble' needs to self-isolate
- Enhance our hygiene measures, including more frequent cleaning and hand washing
- Provide meals, including free school meals for eligible pupils
- Communicate between home and school through Dojo and/or Google Classrooms (our remote learning platform)

### **For children who are at home for remote learning, we will do our best to:**

- Provide remote learning that allows your child to access as much of the curriculum as possible
- Make alternative arrangements if your child can't access remote learning
- Support your child's wellbeing, such as by allowing them to talk with their friends and school staff regularly, when possible
- Provide free school meals to eligible pupils
- Keep in touch about developments in school through Dojo and/or Google Classrooms (our remote learning platform)

## **Parents/carers**

### **When my child is in school, I understand and agree that:**

- I need to monitor if my child or anyone in our household has symptoms of COVID-19 (i.e. a high temperature; a new, continuous cough; or a loss or change to their sense of smell/taste) and will not send any of my children to school if they do
- If my child or anyone in our household shows symptoms of COVID-19, I will not send any of my children to school and we will self-isolate for the appropriate length of time
- If my child shows symptoms of COVID-19, I will also get them tested and, if they test positive, work with the NHS test and trace system to notify anyone who's recently been in close contact with them, including at school
- If my child shows symptoms of COVID-19 at school, I will collect my child as soon as possible
- I will do my best to avoid public transport in peak hours when taking my child to and from school, and we will wear face coverings if this isn't possible (unless my child is aged 3 and under)
- When dropping off and picking up, I will stick to the timings for my child, use the designated entrance and adhere to the social distancing rules set out by the government
- I will not enter the school building without a prearranged appointment and I will leave the school immediately after drop off and pick up
- I will read and follow all guidelines as set out in the school's risk assessment
- I will keep a daily track of school communication via Dojo and/or Google Classrooms (our learning platform)
- My child will not bring in to school any items that are not necessary for school
- I will remind my child about good hygiene practices, such as: regularly washing their hands thoroughly; avoiding touching their eyes, nose or mouth; and coughing or sneezing into their elbow or a tissue, and disposing immediately of any used tissues
- I will support the school's procedures in ensuring a safe environment
- My child may be refused a place at school, if I do not adhere to the terms above

### **When my child is at home for remote learning, I understand and agree that:**

- I will do my best to support my child to complete any remote learning work set for them, and get in touch with the school if this won't be possible for any reason
- I will be contacted by the school if my child is not engaging with remote learning
- I will make the class teacher aware if my child is sick or otherwise can't complete work
- I will seek help from the school if I need it.
