MATHS

Children will be exploring a variety of problems this week connected to the maths they have learned during the year.

ENGLISH

In English we will be writing a letter to our new teacher in Year 2.

We will tell them all about ourselves and what we are looking forwards to.

We will also be showcasing our very best handwriting for them!

TOPIC

In topic next week we will finish our smoothies in DT. On Monday we will be choosing the ingredients we would like to include in our smoothie. Then on Wednesday we will be making, tasting and evaluating our smoothies.

On Wednesday, every child needs to bring in a tub of pre-cut fruit, around 3-4 different fruits. This will allow plenty of time for the making, tasting and evaluating stages of our smoothies. Please speak with your child on Monday to see what fruits they chose in school. School will supply apple juice, orange juice and water for their smoothie. Please let us know of any allergies we are not already aware of.
