

This week in Reception

Phonics:

In Phonics this week, we will be learning the phonemes 'h (helicopter), b (bear), f (flamingo) and l (lollipop).' We will be learning the 'tricky' words: **as, is, I, the, to, no, go.** We will be spelling: **ten, dog, red, mum, kid.**

Thank you for your support in consolidating the phonemes taught so far at home.

What we are learning:

Our final Julia Donaldson story will be 'What the ladybird heard.' We will be making predictions, exploring rhyme and discussing the plot. We will be studying the characters of Hefty Hugh and Lanky Len and answering questions about the story.

In maths, we will be using counting methods to make comparisons using the language of 'more than' and 'fewer than.'

We will be exploring the feeling of bravery and sharing experiences.

PE days are as follows:

Wednesday - Beech

Thursdays- Cedar

Forest school is on a Monday afternoon.

At Home:

Please continue to practise learning the letter- sounds sent home on a Friday and blending sounds together to read words such as mat, man, peck, duck.

Please spend time on your e-book by logging into Collinshub.co.uk.

Please support your child in writing their letters using the cursive style.

There is a name sheet in your child's bookbag to be returned to school on Monday.

And finally:

If you have not already, please download the App - Letterjoin. It is a fun way for your child to practise cursive letter formation. The details are as follows:

Username: park

Password: hill

Thank you
