# Equality Information and Objectives Statement

## Opening statement

We welcome our duties under the Equality Act 2010. The school's general duties with regard to equality are:

- Eliminating discrimination.
- Fostering good relationships.
- Advancing equality of opportunity.

We will not discriminate against, harass or victimise any staff member, pupil, prospective pupil, or other member of the school community because of their:

- Sex.
- Age.
- Race.
- Disability.
- Religion or belief.
- Sexual orientation.
- Gender reassignment.
- Pregnancy or maternity.
- Marriage and civil partnership.

We aim to promote pupils' spiritual, moral, social and cultural development, with special emphasis on promoting equality and diversity, and eradicating prejudicial incidents for pupils and staff. Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

## Aims to eradicate discrimination

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating an inclusive environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful.
- Always treating all members of the school community fairly.
- Developing an understanding of diversity and inclusion and the benefits it can have.
- Adopting an inclusive attitude and ensuring that the whole school community understands what inclusive behaviour looks like in the school and how this aligns with the school's values.
- Adopting an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.
- Challenging bias and calling it out in order to move the conversation forward.
- Any incidents related to discrimination will be recorded and appropriate action taken

We are committed to having a balanced, diverse and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils

learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes.
