

Welcome to Lovelace Primary School Nursery Class

From all the children and teachers

This is the front entrance of our school.

Are you ready to start nursery?
Have you got any of these?

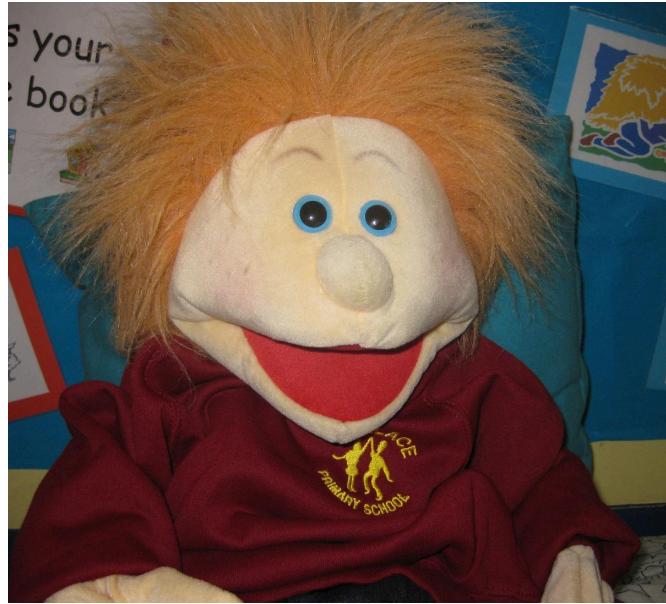

We will be looking after you, helping you learn and play.

Miss Burrows is our class teacher.
She will be working with the nursery nurse, Mrs Boyle

This is Ed who comes to nursery every day.

These are the guinea pigs that come to the nursery every day. We can feed them and stroke them with our kind hands. We even take them for walks in the nursery garden!!

This is Miss Dixon, our Headteacher who is looking forward to meeting you in September.

At the beginning of the session the teachers will greet you and your special adult. I wonder who will bring you to nursery?

You will have a coat peg with your name and your photograph on it, so it will be easy to find.

There is a box to put your book bag and your water bottle in.

Staying healthy is important. While washing your hands try singing a song like Happy Birthday to make sure you do a really good job to wash away all those germs.

Do you know how to use a tissue to blow your nose or catch a cough or sneeze? Or cough into your elbow. We don't want to spread our germs!!

In our classrooms we have pictures of activities to help us know what we will be doing during the day.

Our Golden Rules keep you happy and safe. We praise children for showing these behaviours. These signs show us how to be ready to listen and learn.

At the beginning of each session we sing hello to our friends and teachers. You'll learn our names and the different songs we like to sing.

*Hello Nursery Class,
Hello Nursery Class,
Hello Nursery Class,
The Nursery says*

Hello!

*Hello children,
Hello children,
Hello children,
It's good to see you here!*

You will be able to choose to play in our classroom or in the garden. What do you enjoy playing?

These are the activities you might find in our classroom:-

We have lots of books in our nursery.

We have a book corner where you can look at books with our teddies or share with one of your teachers. There are also books that you can borrow to share at home.

Sometimes we go into the Dolly Lee Lodge where our school library is located.

Do you like to paint?
What will you have to wear when you paint?

We have a role play area with lots of opportunities to play the games you enjoy.

We have lots of different construction sets and wooden blocks to create all types of models.

This is tricky! You can try to pick up pasta with tweezers.

Here is our playdough table; would you like to come and play with it?

These are our toilets. We have sinks with bubbly soap.

During the session we have snack time where we sit at a table with an adult to eat fruit and choose either milk or water.

Do you like to play outside? We have a fabulous garden....

With a gazebo for our role play.

Climbing blocks to crawl in, over and under!

Dens we can make
amongst the bushes
and trees.

Sand and water to explore.

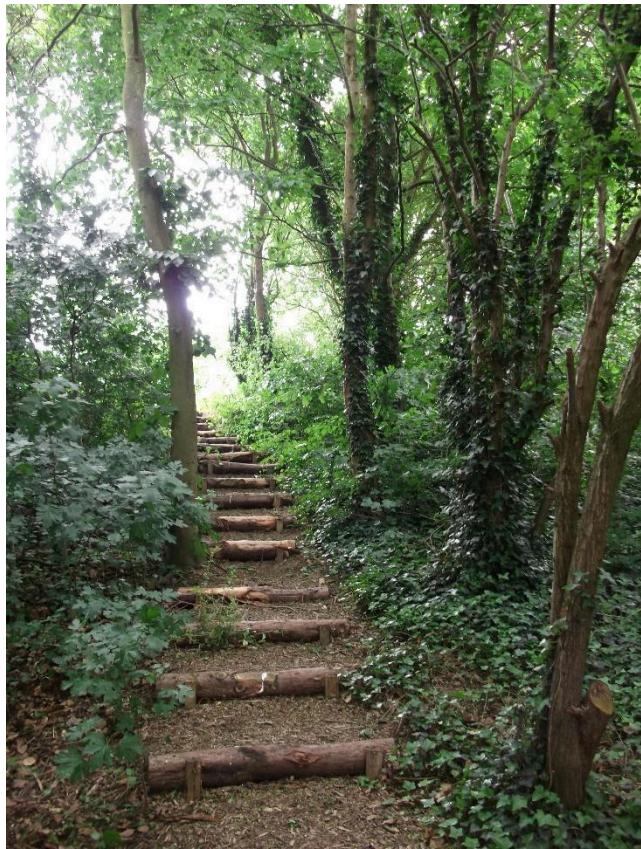

Bikes and pushchairs.....

Wooden blocks and bricks.

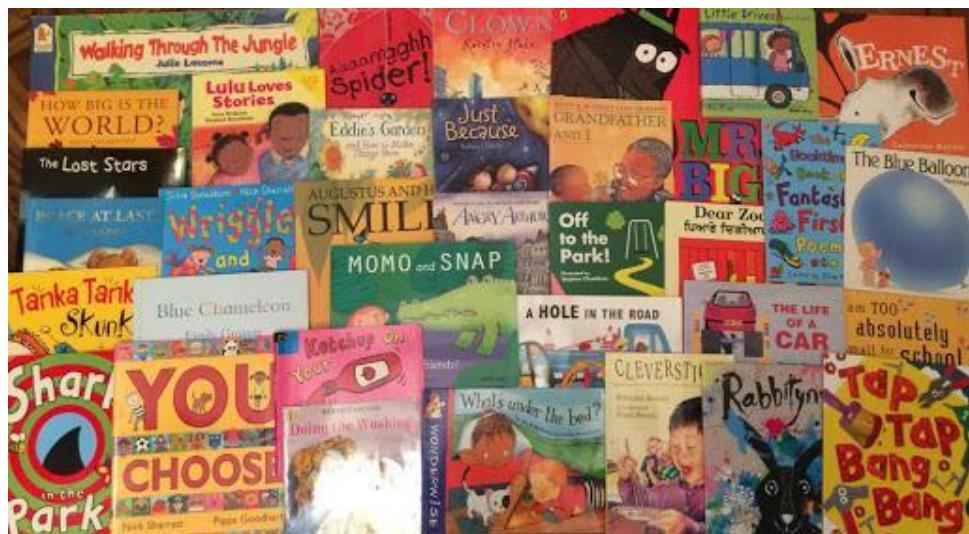

Our meadow is lovely in the summer for minibeasts to live in.

Sometimes we go for a walk around the school grounds either through the woodland walk or to the allotments. We grow vegetables, fruits & herbs on our allotment.

At the end of the session we sit down to enjoy a story together and sing some songs.

We wait for our family and special adults to take us home. We will see our teachers and friends tomorrow.

*We hope you liked looking at the photographs of
the nursery at Lovelace School.*

We look forward to seeing you in September.
