

Kennicott Sixth Form Centre

Induction Task

A Level Art

Induction Tasks are not optional for students; they form part of the College's formal assessment and completed tasks will assist staff in identifying the students' ability for independent study and meeting home learning deadlines.

A-Level Art Induction Task

We would like you to demonstrate potential in the four assessment objectives by which you will be judged. These are that candidates:

AO1 **Develop** their ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.

AO2 **Experiment** with and select appropriate resources, media, materials, techniques and processes, reviewing and refining their ideas as their work develops.

AO3 **Record** in visual and/or other forms ideas, observations and insights relevant to their intentions, demonstrating an ability to reflect on their work and progress

AO4 **Present** a personal, informed and meaningful response demonstrating critical understanding, realising intentions and, where appropriate, making connections between visual, written, oral or other elements.

1. Find an example of a **famous** work of Art that provokes a strong response in you. Write about its context, the artist and what you think about it.
2. Make an observational drawing of an object, figure or place “related” to this work.
3. Develop 1. and 2. by making a further practical response to your chosen work. This could be a painting, sculpture, print or textiles piece.
4. Evaluate your response and explain how you have made connections to your chosen artist.
