Fox Class Weekly Newsletter

Friday 11th November 2022

Dear Families,

I hope you are all having a good week.

It has been assessment week. The children have worked very well and tried their best to complete their maths arithmetic and reasoning papers. In English we completed spelling and reading papers.

In science this week we investigated how plants absorb water. After putting celery stalks in water with red food colouring which we left for 24 hours, we observed and recorded what the celery stalks looked like before and after.

Remembrance Day

We observed 2 minute silence in class on Friday at 11am for Remembrance Day. Fox class also made a poppy wreath for our classroom door.

Reminders for next week

Class assembly Monday 21st November at 2.30pm.
Children can wear a dark coloured t-shirt over their uniform to dress up for assembly if they want to.

Please come and speak to us if you have any questions or queries.

Ms Powell, Mrs Prior and Mr Phillips
