Fox Class Weekly Newsletter

Friday 16th September 2022

Dear Families,

This week, we read '*How to Wash a Woolly Mammoth*' by Michelle Robinson in English. The children enjoyed the story and role-played, step by step instructions on how to wash a woolly mammoth with a partner. We also researched woolly mammoths to find out more about this amazing extinct creature. Next week we will be writing our own instructions on how to wash a woolly mammoth using time openers, adverbs and imperative verbs.

In maths, we are learning place value and to represent numbers to 1,000 in words and numerals.

In history, we have started the Stone Age topic and completed a timeline by ordering the three main periods during the Stone Age, the Palaeolithic, the Mesolithic and the Neolithic periods.

Reminders of the week:

Reading with an adult in school and changing home/school reading books will be on the following days:-

- Red group reading 1-1 on Mondays
- Orange group reading 1-1 on Tuesdays
- Yellow group reading 1-1 on Wednesdays
- Green group reading 1-1 on Thursdays
- Blue group reading 1-1 on Fridays

Homework - A copy of the Autumn term homework will be given to children on Friday 16th September. There are 10 activities and children can complete them in any order. Homework can be handed in on Fridays.

- 10 new spellings will be given to the children on Fridays to learn for the following Friday's test.

Have a lovely weekend and we look forward to seeing the children next week Tuesday!

Miss Powell, Mrs Prior and Mr Phillips
