

STREET ART PROJECT

Year 10 & 11

Miss Hayes

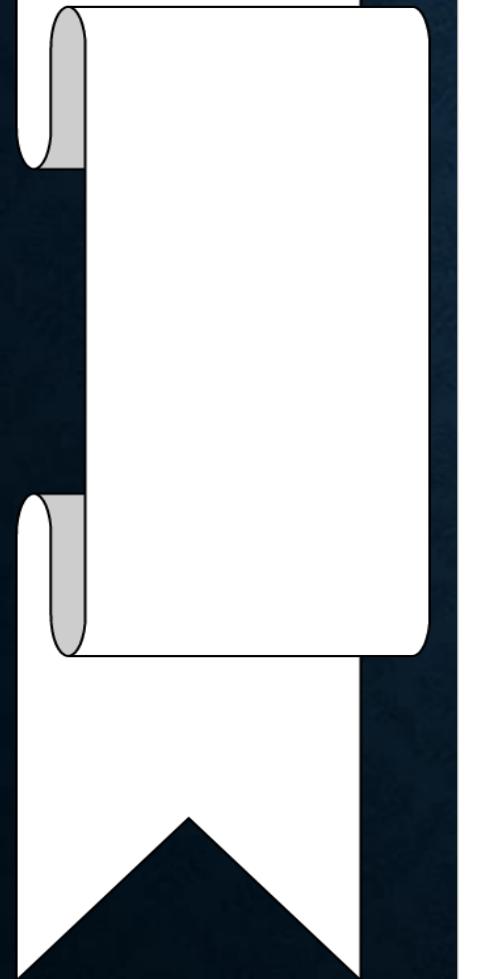

Task 1:

- Choose one of the following artists
- Complete a research sheet on them
- Find some images of their work
- Create 2 x drawings of their work
- Create 2 x your own drawings based on your own ideas using inspiration from your chosen artist

Artist research sheet or make your own

Task 2:

You have been commissioned to create a mural by Mr Oxley.

They want the outside wall area of the garage to look bright and colourful.

They are considering using the Oaklands logo or name.

You have the task of creating a series of designs to fit the brief.

Task 3:

- Create a street art city scape
- Draw out a cityscape and instead of adding features like windows and doors, add bright art work and words
- If you can gather old boxes such as egg boxes, cereal boxes, tissue boxes etc
- Make each box into a building, paint, draw, stick and glue features to each one to make them different
- Add together in a line to create 3D street art scene
- Take a picture and save it for me to see!
- Just have FUN!!

Cityscape template or create your own
