Dear Parents/Carers

Re: SIMS Parent App

We have a new convenient way for you to access, review and request changes to the data held on you and your children direct from your phone as well as see key term dates.

You'll be able to access the new parent app at your own convenience via smartphone, tablet or PC - anytime, anywhere.

What you will find in SIMS Parent:

- School term, inset dates and contact details available at the click of a button
- Access to update all contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access this information for all your children, from the same app.

Getting started with the SIMS Parent:

- You will receive an activation email, simply click on the link from your tablet, PC or smartphone to activate your account. If no email address is displayed or your email address is incorrect, please update us by contacting the school office.
- You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.
- From your smartphone or tablet, download the FREE app from the Google Play or Apple App store - search for SIMS Parent.
- From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. Your activation email will expire after 14 days if it is not used, please contact your school if you require a replacement after this date.

Yours sincerely
