

## Key Vocabulary

Key Word	Definition
Paper cutting	The art of cutting paper with sharp scissors or a knife.
Cut outs	Pieces of material cut into different shapes to create artwork.
Shadow puppets	Figures that are placed between light and a screen. Moving them creates an illusion on screen.
Performance	An art form which combines visual art with dramatic performance.
Narrative	Art which tells a story.
Character	A person in a novel, play or film.
Present	Show or perform art to an audience.
Share	Talk about and show others what has been created.
Articulate	Jointed or divided into joints.

## Art: Summer Term Shadow Puppets (3D)

## Learning Sequence

1

Explore shadow puppets through the work of Lotte Reiniger and Malaysian shadow puppets.

2

Explore joints and movement of puppets (split pins, card, cut outs, effect of light).

3

Design a shadow puppet based on a narrative.

4

Make puppet using card and split pins.

5

Make puppet - add materials to create texture.

6

Share, review and reflect on artwork.
