HEAT

With increasing heat next week please ensure that sun cream is applied before school, hats are worn and water bottles filled. Teachers will be risk assessing playtimes and school visits appropriately to ensure shade and safety is afforded at all times. **Mr. Dax**

Supporting our Children

It is a very busy few weeks as we come to the end of the school year and this can often dysregulate those children with extra needs, because routines have changed. We can help and support by reminding children that the school day may be different. These simple adjustments can help us all have a better day. **Mr. Dax**

Water & Squash

Water bottles in the classroom may contain water and diluted squash for in school use. Squash contains a lot of sugar (even reduced sugar) so PLEASE DILUTE SENSIBLY. I have informed all children and all staff. This is a reasonable adjustment to meet everyone's needs after several requests from parents.

New Teachers & Classes

With pupil numbers at an all time high for Belvoirdale, we have been working hard to create new ways of working to support all of our children. Thursday 3rd July is transition day when everyone will visit their new classrooms and be introduced to their new teachers. A full class and teacher list will be sent home with the children.

New Show Dates

We welcomed PCSOs and Belvoirdale colleagues, Lynette and Matt into school last week to speak to year 5 / 6 children about safety in our community. This is an annual event but also follows on from the concerns raised by school and residents over recent weeks regarding issues in the local area.

The school garden is looking magnificent in the summer sun and all of the children and teachers have been enjoying the space for learning and for recreation. Thank you to all those who care for it.
