

Dear Parent/Carer,

Our school is holding its very own Race for Life event for Cancer Research UK and we'd love your son and/or daughter to join the fun. Each year group will run / walk / jog around the school field completing as many laps as they can.

Our youngsters are the generation that could see ground-breaking treatments and cures for cancer in their lifetime. They're the young warriors who could be the researchers and lifesavers of tomorrow. By taking part in Race for Life and uniting together against cancer, they'll be doing something really special.

Cancer Research UK receives no government funding for their research, so the more of us who join the fight against cancer, the more money we can raise to beat cancer sooner.

## **We will Race for Life on FRIDAY 3<sup>rd</sup> July 2026**
