

ISOLATING AT HOME

Your child may suddenly have to stay home from school and the family to isolate. Here are lots of ways for you all to keep healthy at home during isolation.

PHYSICAL ACTIVITY

- ✓ Be as active as you can
- ✓ Stand up every 20 minutes
- ✓ Walk often
- ✓ Try a virtual exercise class

SIT LESS, STAND OFTEN, MOVE MORE

- ✓ Reducing the time you are sitting is important.
- ✓ Play hide and seek around the house
- ✓ Progress to some gentle, frequent walks around the house or garden if you have one.

ACTIVE CHALLENGES

Set you and your family simple daily targets:

- ✓ Stand up together every 20 minutes
- ✓ Go for a walk of 1,000 paces around the house or garden every day (and take the stairs if you have them)
- ✓ Try a standathon. Who can stand up for the longest!
- ✓ Playing board or computer games? Making standing up part of the game (like when you throw a six)
- ✓ Make tidying up an Active Movement
- ✓ Let your child be in charge of being active for the day!

ADDITIONAL SUPPORT

There is lots of information and ideas of how to look after your mental and physical health on the "Health at Home" website.

For more information, visit:
www.activemovement.co.uk

ACTIVE SCHOOLWORK

Being active helps memory, concentration and coming up with ideas.

Remind your child to:

- ✓ Stand up whilst learning important words
- ✓ Walk around whilst learning a phrase or thinking about an answer
- ✓ Stand up when reciting work
- ✓ Walk around the house for 5 minutes before doing any mock tests or exams

WORKING FROM HOME

You may have to stay at home to look after an isolating child. Add standing and moving to your work routine too.

Standing conference calls can be much more dynamic!

PROTECT THE **NHS**

During your isolation period you should not leave your home.

If vulnerable and needing immediate support call **01753 944198**

GOOD FOOD HABITS

Now is a great time to develop good food habits.

Follow them as a family or group, then you can all remind and encourage each other to eat properly - and not too much!

ACTIVE SWAPS

Make simple changes by setting yourself some Active Swap days:

- ✓ Swap sugary drinks for water
- ✓ Swap chocolate for fruit
- ✓ Swap white bread for brown
- ✓ Swap a snack for a walk or exercise
- ✓ Swap cereal for boiled eggs
- ✓ Create a fresh food day

And remember standing up or a walk after a big meal is good for your digestion.

MORE TOP TIPS

- ✓ Stand up to brush your teeth twice a day with a fluoride toothpaste
- ✓ Sleep is important:
Primary age 10-11hrs
Secondary age 9-10hrs
Adults 7-9hrs

EMOTIONAL WELLBEING

If you require further emotional support check out the following support resources:

- 1) Kooth - For secondary age children
- 2) Every Mind Matters - For all ages
- 3) Public Health Slough - For all ages
