

This week in Reception

Week beginning 19.1.26

Phonics:

In Phonics this week, we will be learning the following digraphs: ur (fur), ow (owl), oi (boing) and the trigraph : ear (hear). We will be revisiting the 'tricky' words: **was, they, you** & learning **my, by, all**. We will be writing: **turn, hurt, my, town, now, down, how, by, join, boil, all, hear, near, into.**

What we are learning:

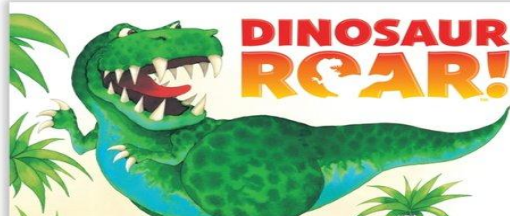

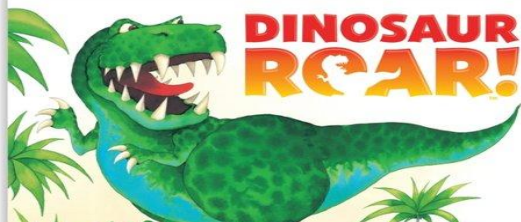

Our learning this week is based on the narratives 'Dinosaur Roar' and 'Katie and the dinosaurs.' We will be extending our vocabulary by exploring opposites. We will be making predictions and talking about what we have heard to develop our comprehension skills. We will be using full sentences to talk about what we have learnt and writing a sentence by segmenting the sounds in words.

In maths, we are learning to compare lengths using the language 'longer than' and 'shorter than.' We will also be researching the lengths of some of the dinosaurs.

An invitation to our Dinosaur Museum

We would like to invite families to come and look around our Dinosaur museum. Your child will be your curator and show you around the museum in our indoor area outside our classrooms. You will be able to see dinosaur artefacts and writing created by your child.

The museum will be open at the following times: Monday 2nd February 3pm, Tuesday 3rd February 3pm, Wednesday 4th February 3pm and Friday 6th February 3pm. Please let your class teacher know which day you would like to come so that we can make sure that your child's model is out on display. Thank you.

And finally:

Ask your child to have a go at writing the following sentence:

I was as **high** up as the ladder.
