Autumn MENU
Week 1

In our whole school collective worship we reflected on Pope Leo's new year message, in which he called on all peoples to 'build a year of peace' and highlighted how acts of kindness can bring hope. We discussed the simple but effective ways we can do this in school and in our homes. A simple way we can show our love for the world is by caring for nature and we introduced the children and staff to the RSPB's Big Garden Birdwatch, taking place this year. The link below will give you further details. This is a simple thing that you may like to do, as a family, and we will also be participating in at school. Children are asked to observe carefully, identify different birds, and talk about what they noticed in nature. This is a lovely opportunity to develop curiosity and appreciation for the beautiful world God has given us. [Big Garden Birdwatch](#)

Reception took part in a drama workshop, which encouraged creativity, confidence, and teamwork. The children had great fun expressing themselves through movement, role-play, and imagination.

To finish the week, one of our Year 5 classes went on a trip to visit the Mayor at Uxbridge Civic Centre. The children learned about the role of the Mayor and how local government helps our community. They asked thoughtful questions and represented the school beautifully.

Batteries

A parent has informed us that their child picked up a 'button' battery on the school grounds. It is important to remind your child what they should do should they find a battery anywhere, to ensure the safety of all and the safe disposal of the battery.

Wishing you all a lovely weekend,
Miss Morahan and Mrs Stockwell

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any person (parent or staff) have a concern regarding a child's wellbeing, please inform one of the school's designated safeguarding team (Miss. Morahan, Mrs. Stockwell, Mr Wright or our Designated Safeguarding Governor, Mrs Wloch). In cases where school staff have concerns, they have a duty to discuss the issue with Social Services to seek further advice. This is the statutory obligation of all schools.
