

# P.S.H.E. Year 1

## Diversity and Communities

### Lesson 1

To begin to understand what builds their sense of Identity through exploring similarities and differences.

### Lesson 2

To recognise different groups they belong to and the different backgrounds of people they know.

### Lesson 3

To understand what 'my community' means and the benefits of belonging to community groups.

### Lesson 4

To know about people who help different groups in their community.

### Lesson 5

To know how to care for animals and plants in their own environment.

### Lesson 6

To know how they can help look after the school environment.

# Vocabulary

identity	similarities	needs
differences	groups	lifestyles
community	people	animals
environment	roles	views
challenging	stereotypes	

## Communities

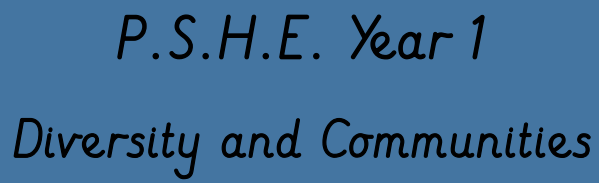

## Diversity

**We Are All Different.  
We Are All Friends!**

[illegible]

At the end of Spring 2:
