

## How did families have fun in the past?

### This week's MATHS

#### Fractions

unit fractions <https://vimeo.com/801892558>

Non-unit fractions <https://vimeo.com/801892625>

#### Mass, capacity & temperature

Compare mass <https://vimeo.com/775495105>

Measure in grams <https://vimeo.com/775495649>

### This week's ENGLISH

#### ARTS WEEK FOCUS: END OF YEAR TWO PERFORMANCE

WE WILL BE REHEARSING OUR PRODUCTION – 'SALLY THE STARFISH'. Please look out for any lines your child might bring home to practice.

Things to note:

**Forest School** Please bring in wellies every Monday and appropriate outerwear according to weather.

### Focus on "the arts" for ARTS WEEK

**Music** - Sing Up day

**P.E** – Dance focus

**D.T** – Making a moving monster mechanism

**Art and Design** – The power of looking: in depth analysis of an artist's, producing artwork in the style of Morag Myerscough, art trail around the school grounds, visiting our very own exhibition of the children's framed artwork

**ANOTHER REMINDER THAT CHILDREN SHOULD NOT BE BRINGING TOYS TO SCHOOL UNLESS THIS FORMS PART OF THEIR INDIVIDUAL PLAN. WE HAVE ALSO SEEN AN INCREASE IN FANCIER WATER BOTTLES WHICH BECOME A DISTRACTION TO THE CHILDREN'S LEARNING – please avoid sending these into school.**

#### HOME LEARNING TASK

Please continue to practise singing "I'm Still Standing" ready for our Sing Up Day with Park Hill on Wednesday.

Your children will be coming home in the coming weeks with lines for our end of Year Performance and we would appreciate your support with helping them rehearse.

Please continue to return guided reading books to school on a Monday so they can be used with groups of children in school. Your child might sometimes return home with the same book two weeks in a row if this is deemed suitable for their needs.

Feel free to also read additional books for pleasure at home with your children.

Thank you from the Year 2 Team
