NEWSLETTER

Dear Parents and Carers,

This week we held our **Parents' Evening**, and it was wonderful to welcome so many of you into school. These meetings are a valuable opportunity to celebrate children's progress, share their achievements, and discuss the next steps in their learning. We are incredibly proud of the hard work and positive attitudes shown across the school, and it was lovely to be able to share this with you.

We also hosted a **Governors' Meeting**, and once again we were reminded of the passion and commitment our governing board brings to supporting the school. Their dedication to helping us be the very best we can be is greatly appreciated. We are currently looking for **new board members**, so if you are interested in contributing to the direction and development of the school, please do get in touch—we would be delighted to hear from you.

Behind the scenes, **Christmas rehearsals are now underway**, and the children are already sounding fantastic. We don't want to give too much away, but you are certainly in for a treat this year!

Our new **Hedge Hub** has also been a great success. This lunchtime space allows pupils to access a calm, supportive environment to look after their mental health and wellbeing, and we are pleased with how positively the children have embraced it.

Finally, I would also like to update you on our approach to behaviour support. During break times we now have **Reflect and Repair sessions**. If a child reaches yellow or red, they will spend part of their break reflecting on what happened and identifying steps to put things right. If your child attends a session, you will be informed and the completed form will be shared. I appreciate your support with this.

Wishing you a wonderful weekend
Mrs Yeo and the Christow Team

Celebrating Diwali

in the Foundation Stage Unit

Haldon have been learning about the Hindu celebration of Diwali this week and comparing it to other celebrations, including 'Bonfire Night'. The children were able to recognise that they are both festivals of light, in different ways. It was interesting to talk about beliefs of others as we talked about the story of Rama and Sita. We looked at rangoli patterns, mendhi patterns and dance patterns. Everybody has really enjoyed this topic
