

Dartmouth Academy Uniform 2025-2026

At Dartmouth Academy we believe that our pupils should wear our uniform with pride and show themselves as the best they can possibly be.

Our uniform policy is set to reflect a practical approach to achieving a standard of uniform that is both functional and smart. It is designed to achieve equal opportunities wherever possible; to ensure that the pupils enjoy a corporate identity; to provide safe and functional clothing and footwear. The standards set in a school, and in particular the standard of uniform, does much to enhance the learning environment for the pupils. The atmosphere created through the compliance of pupils to this dress code will do much to set the tone of the school and will greatly help to encourage a good work ethic for all pupils.

The Academy uniform must be worn at all times – there are no exceptions, unless a pupil is given special permission for a particular activity, such as an off-site visit or a non- uniform day. If, for whatever reason, a pupil is in incorrect uniform we will firstly ask pupils to go home and correct this. If it can't be corrected, we will aim to provide a uniform item to borrow. In certain circumstances pupils may be isolated for break and lunchtimes until the uniform issue has been rectified.

Please note that the Academy reserves the right to make the final decision as to the appropriateness of dress, jewellery, makeup and hairstyle.

If, before purchasing an item of uniform, you are unsure whether it meets our expectations then please contact the Academy and we will assist with clarification:
