

YEAR 2 NEWSLETTER

Friday 4th September 2026

English

Next week in English we will start our first book of 'Little Red Hen'. We will be spotting different sentence types and punctuation marks. We will also be talking about the differences between a statement and a question. We will be generating specific vocabulary to support us with some independent writing.

Maths

Next week in Maths we will be reviewing numbers to 20, counting objects, recognizing tens and ones. This will help build on to partitioning numbers to 100. Please review these videos with your child to prepare them for the following weeks lessons.

Topic

Next week we will begin our first topic of 'Food Glorious Food'. We will be reviewing where we are in the world, how to keep our bodies healthy and even beginning to complete some observational drawings of fruit!

Homework

Next week in Art, we are going to be making observational drawings linked to our topic of Food Glorious Food. We ask that your child please bring in a piece of fruit from home on Monday for their art. Thanks!

If we are not aware of any intolerances or allergies already, please let the office team know.

Reminders

Home shared reading books will be changed on Monday and Thursdays.

Your child will get their guided reading book to take home at some point through next week.

We ask that all guided reading books come back the following Monday. We aim to check

reading diaries once a week, but this may vary. Many thanks, Year 2 team 😊
