

Croeso i Drama

What you learn:

Throughout your time at Chepstow we cover a range of exciting topics to try and cater for everyone.

There is the opportunity to work with scripts and develop your characterisation skills.

There is a strong emphasis on you being creative, so we love to give you the chance to create your own pieces, based on a range of interesting stimuli.

We look at different styles and genre of theatre and some of our topics include:

Harry Potter, Musical theatre and crime investigations.

Extra opportunities:

Each year we produce a full school musical, which all students can be involved in. You can develop your performance skills, meet new people and most importantly have a fantastic time.

There is a weekly Drama club for lower school students, where we work on piece to show back to an audience each term. Pupil voice is very important, so we would love to get your ideas on what you would like to make!

“That’s the magic of art and the magic of theatre: it has the power to transform an audience, an individual or the masses, to transform them and give them an inspirational experience that changes their minds, opens their hearts and their minds and the way they think.”

Skills

Drama allows you to develop your confidence and team work skills. You have the opportunity to work with new people and its also gives you the opportunity to express yourselves in a fun and safe environment
