## NO ONE KNOWS THEY CAN UNTIL THEY TRY!

Take a second or two to think about some of the great things you might have achieved so far in your life like learning to swim, ride a bike, walk, talk, sing, play an instrument, ski, make a meal for your family or even give your very first presentation at the front of the class. Your journey through life has already been jam packed full of challenges! Meeting challenges helps to bring out strengths and abilities that you never knew you had and, when you take on new challenges, you bring new energy and excitement into everything you do.

Challenge Week at KCC will once again bring so many opportunities for you to be an opportunity magnet - "I'm going to try that". Having a go at something new sometimes requires us to be a little brave. It might mean doing something without your friends but meeting new people and making new friends is all part of the exciting experience. Facing new situations and being part of new activities helps to build confidence and resilience and gives us the determination to work hard and get better at something.

Enjoy making your selections, I cannot wait to see you all having a fantastic Challenge Week in July.

### IMPORTANT DATES:

<b>Monday 25th November 2024</b>	<b>Challenge Week 2025 launch</b>
<b>Friday 6th December 2024</b>	Deadline for those applying for a Residential
<b>Friday 13th December 2024</b>	Confirmation of Residential places sent out
<b>Monday 16th December 2024</b>	Deadline for those applying for Daily Activities
<b>Friday 24th January 2025</b>	Daily Activity places confirmed

**Payments for a Residential Activity will be due in six equal instalments from the 1st January 2025 on the 1st of each month thereafter.**

**Payments for Daily Activities will be due in three equal instalments on the 1st of March and 1st April 2025.**

We regret to say that any trip that is not paid in full before the full payment deadline will result in your child's place being reallocated to another student. There is no opportunity to change your residential choice, once confirmation of a space has been given. We cannot make changes based on friendship groups. Making new friends is part of the experience.

## GENERAL INFORMATION

### ATTENDANCE

Challenge Week is part of the College curriculum and is in term time. Therefore there is a legal requirement for students to attend College in exactly the same way to every other week of the year.  
**No holiday will be authorised during Challenge Week.**

### BEHAVIOUR FOR LEARNING POLICY

All students are expected to meet the expectations contained in the Behaviour for Learning Policy. The College reserve the right to refuse a place on a residential trip to those students who do not meet expectations of the Behaviour for Learning in the build up to Challenge Week.

### CONTRIBUTIONS

We have indicated the average level of contribution necessary for a trip to run. Some financial assistance may be available from the College and the PTFA are committed to helping families less able to pay. Families on Income Support or in receipt of free school meals might be eligible for some assistance. Funding will be allocated on a case by case basis. In order to apply for help from the bursary please contact your child's Inclusion Lead or [challengeweek@kingsbridgecollege.org.uk](mailto:challengeweek@kingsbridgecollege.org.uk) who will provide you with a form. The Bursary deadline for Residentials is Monday 9th December 2024 and for Daily Activities Friday 24th January 2025. The money granted will be a percentage of the total amount and you will be notified of this once bursary applications have been processed. All requests for support are treated with absolute discretion.

### COSTS/COLLEGE FUNDS

All costings are approximate at this stage and based on trips running at near full capacity. Transport costs have to be shared by those actually taking part and may therefore vary from those shown in this booklet. So far as payment for the trips described in this booklet are concerned, the Education Act allows the College to ask parents for voluntary contributions in order that trips can take place. Insufficient contributions would result in the cancellation of a residential. The College has a fund, which is for the benefit of students whose parents find difficulty in fully contributing to the cost of trips. Should you wish to apply for College funding, your child can collect a bursary form from their Inclusion Lead.

### MEDICAL

We have a record of students' medical conditions that parents have provided for us. All staff organisers or group leaders have this information with them during each activity. Please inform the College if there has been any change to this information regarding your child. Each specific trip will send out a Confirmation Form to give approval to your child's choices and to give consent to the use of anaesthetics in the unlikely event of an accident.

## CHALLENGE WEEK – RESIDENTIAL ACTIVITIES

### CHOOSING YOUR RESIDENTIAL

Unfortunately many trips are often oversubscribed and we cannot guarantee a place on a trip. Whilst we have made every effort to source trips at as low a cost as possible, insurance and transport costs have hugely increased since before the pandemic, and now the energy and cost of living crisis, this has had a knock-on effect on trip prices.

We have therefore increased the number of Daily Activities available to choose from to provide a more financially sympathetic range of activities.

### MEETINGS

Students and parents will be provided with further details by the trip organisers during the time leading up to departure. These are meetings that students must attend in order to gain the full benefit from the trip and these will be held normally during lunchtimes. Some meetings may be held after College, depending on the type of trip and parents may be invited to these. Details of meetings will be included in daily bulletins or to parents via BromCom messages.

### SAFETY AND INSURANCE

Safety is always a priority especially during Challenge Week. Most activities are being run by college staff and we ensure that all outside organisations that are providing opportunities for our students are suitably insured and have qualified staff. All of these details are checked by the County Safety Officer. The guidelines for staffing ratios and qualifications of our own staff are always followed.

Students are fully insured against accident through an Insurance Policy in this country and abroad. All students are briefed regarding safety and personal responsibility prior to the week and by organisers before every activity each day. We would be grateful if you could reinforce our instructions by telling your child(ren) to do all they can to ensure that the week goes well and to follow instructions with the view to making the week safe and enjoyable for all.

### PAYMENT SCHEDULE FOR RESIDENTIAL TRIPS

(Amounts will depend on cost of each individual trip)

**Payments for Residential Activity will be due in six equal instalments from the 1st January 2025, on the 1st of each month—these will show on your child's Parent Pay.**

For any queries regarding Parent Pay please email [finance@educationsouthwest.org.uk](mailto:finance@educationsouthwest.org.uk)

	RESIDENTIAL ACTIVITIES	PRICE	SPACES
1	Cornwall Adventure	£500	24
2	Devon to Dorset Cycle Ride	£380	24
3	Sand, Sea, Surf North Devon	£429	45
4	Rockley Dorset	£702	44
5	London Experience - Mind The Gap!	£558	45
6	South Wales Mountain Biking	£500	16

All trips can be paid for in instalments or in one full payment from 1st January 2025.

All payments MUST be made through ParentPay - we operate a no cash policy.

**Please do not change your mind once confirmation has been established**

Remember deposits are lost if you do change your mind and the residential may not be able to go ahead if numbers fluctuate.

**Should you need to remove yourself from a residential after Friday 6th June 2025 for any reason (with the exception of a Medical Certificate) you will lose the full balance paid.**

<https://forms.office.com/e/3FVSSveZLt>

***Please use the link above to complete the choices form for those who would like to apply for a residential place by Friday 6th December 2024, or for daily activities by Friday 20th December 2024. This can also be accessed on the College website. Please only submit one form per student, for any subsequent forms submitted only the first form will be considered.***

## CORNWALL ADVENTURE

£500

**LEAD STAFF:** Mr Hamilton

**PLACES:** 24

**RESTRICTION:** Must be a confident swimmer, at least 50m, and happy to spend a lot of time in the sea.

**DATES:** Monday 14th July to Friday 18th July

Travel to the beautiful Coasts of Cornwall to enjoy an adrenaline fuelled trip. We stay at the amazing Lizard YHA on the South West tip of Cornwall, having the whole place to ourselves students cook and prepare there own meals and lunches. We go out every day to take part in activities that challenge everyone. We have 3 sessions of surfing at the amazing Gwithian

Beach near Hayle from beginners to experts they cater for everyone. We get to coastering around lizard peninsula with big jumps, swims and climbs in one of the most beautiful surrounds you can imagine followed by an afternoon of sea kayaking out of Cadgwith where we visit the Devil Saucepan! New last year we visited a disused quarry and go one the Via Feratta course completing climbing, zip line and wire bridges. Finally we visit the aquapark at Adrenalin Quarry and use up any last energy on the inflatable course in the disused quarry. This is a week of pushing yourself to the limits.

## DEVON TO DORSET CYCLE RIDE

£380

<b>LEAD STAFF:</b>	<b>Mr Hart</b>
<b>PLACES:</b>	<b>24</b>
<b>RESTRICTION:</b>	<b>Stamina to ride around 25+ miles per day. Your own bike would be useful, although new College bikes are available to hire for £25 for the week.</b>
<b>DATES:</b>	<b>Monday 14th July to Friday 18th July</b>

**Fancy having a real challenge for Challenge Week?  
Then join our cycling adventure!**

The plan is for 24 intrepid riders to cycle east following the Sustrans Route 2 from Dartmoor to Corfe following cycle trails and minor roads and staying in youth hostels and Yurts for comfort, with your meals cooked for you every night! Every day we cycle around 30 miles, with a support vehicle carrying all our luggage, spare bikes and supplying drinks & ice creams if it gets hot!

As well as cycling, we have a different activity planned each day including a pistol shooting range and a tour around the Bovington Tank Museum with hundreds of amazing tanks, AND high ropes, a visit to Corfe Castle and finishing with an afternoon at Dorset Waterpark, bouncing off massive water inflatables !

In advance of the big ride we will have a number of after-college practise rides. This is to get you used to riding safely in a large group, cycling gradually increasing distances to improve your fitness and stamina and to teach you how to carry out basic repairs and maintenance on your bikes.

We have run many long distance cycle rides over many years and we have loads of experience. We have run a cycling trip every year for over a decade!! It is probably the biggest challenge offered for Challenge week, and every rider had a real sense of pride and achievement at completing the (just over) 150 mile ride !

**We hope you will want to join us!**

## SAND, SEA AND SURF NORTH DEVON

£429

**LEAD STAFF:** Mrs Budgen

**PLACES:** 45

**DATES:** Monday 14th July - Thursday 17th July  
Students are expected at KCC on Friday 18th July

**Challenge yourself in ways you never have before.**

On this trip you will get to:

- Surf at Westward Ho
- Test your nerve on the High Ropes course with trapeze
- Kayak down the river through Bideford
- Climb, abseil and do the assault course
- Swim in the centre pool on a games evening.
- Camp in tents with friends and cook two evening meals.

This trip is an established and popular trip that has been running successfully for many years. The four days are packed with activities and adventure. We camp in a beautiful spot overlooking the sea at the Skern Lodge Outdoor Activity Centre. It has a heated swimming pool, games room and a canteen which provides a full English breakfast in the mornings. Lunches are a great hit, as you make your own packed lunch from and we sometimes order in local pasties. Evening meal is cooked in groups except for the last night when we order from a fish and chip shop. Everything is included in the price.

To make the experience even more amazing, this trip has a no phone policy !

## ROCKLEY BUDDENS

£702

**LEAD STAFF:** Miss Horning

**PLACES:** 44

**DATES:** Monday 14th July—Friday 18th July

### SPEND 5 DAYS IN THE HEART OF THE HISTORIC JURASSIC COAST

For all the thrill-seekers looking for their next adventure, we have the ultimate amazing opportunity!

The self-contained centre in Dorset will offer the perfect setting for an action-packed five days trying out the vast range of activities in a stunning setting.

We will travel by coach on Monday, staying in our own tented village.

- Abseiling
- Archery
- Bell Boating
- Campfire
- Canoeing
- Jacob's Ladder
- Leap of Faith
- Raft Building
- Rifle Shooting
- SUP
- Taskmaster
- Tomahawk Throwing
- Tunnel Trail

So get your swimmers packed, and don't miss out on an amazing week!

# MIND THE GAP

£558

**LEAD STAFF:** Miss Perks

**PLACES:** 45

**DATES:** Sunday 13th July—Wednesday 16th July  
Thursday and Friday will be spent at KCC as a group

**Have you been to the theatre?  
Have you explored a big city?  
Have you ever been to London?**

We will be travelling to and from London on a private coach. Whilst we are in London we will go to the three West End Theatre shows; with the Science Museum and the Natural History Museum also on the itinerary.

As well as a River Thames Cruise we are heading to the London Eye and will also be enjoying sight-seeing and shopping .

On our way home we are finishing the trip off with a visit to Thorpe Park.

On Thursday there will be some group sports, and finally a trip to the cinema on the Friday!

**Come and explore the sights of London, enjoy three  
West End shows and wander around museums.**

# MOUNTAIN BIKE SOUTH WALES

£500

<b>LEAD STAFF:</b>	<b>Mr Bentham</b>
<b>PLACES:</b>	<b>16</b>
<b>DATES:</b>	<b>Monday 14th July - Friday 18th July</b>
<b>RESTRICTION:</b>	<b>This is a trip that will involve a lot of downhill Mountain Biking. Students will need to have their own MTB that they are very comfortable cycling off road on tracks such as the Haldon Forest red route.</b>

**Do you love to downhill MTB?**  
**Have you been to the UK epicentre of Downhill MTB?**

We will be travelling by minibus to South Wales to go mountain biking. On day 1, we will load up our bikes and travel to our bunk house in the Brecon Beacons. On Day 2 & 3 we will head to Bike Park Wales to explore their tracks, using the uplift service so we only cruise downhill all day. On day 4 we head over to the Forest of Dean to explore new territory, again using the Uplift service. On the Friday we return back to College exhausted.

In the evenings we'll play football, have a movie night and run the first ever Kingsbridge CC FC 25 tournament of champions.

**NOTE**—This is a downhill mountain bike extravaganza. We will be riding on some of the UK's top downhill routes and therefore students will need to be comfortable on their own good bike up to the job - this certainly doesn't have to have full suspension (mine doesn't), but it will need to be capable of handling the parks we will visit. A helmet will be compulsory,

We will be a small group. To keep costs down we will be looking after each other throughout the trip - this includes cooking and washing up - CHORES will be done by all!

# **DAILY & OVERNIGHT ACTIVITIES**

## CHALLENGE WEEK 2024 – DAILY ACTIVITIES

For students who do not go on a Residential Trip, all activities still have a significant challenge and learning focus and in order to make sure that this is met, activities will run for two days each. Students will attend for two different two day packages over Challenge Week.

We have tried to make sure that we have a wide range of activities on offer and hope that there will be plenty of options for students. Most activities are run for quite small groups so it is very important that students select **THREE DIFFERENT OPTIONS** for each; we will do our very best to ensure that students are allocated to an activity that they are interested in.

**We are also unable to ensure that friendship groups are kept together – making new friends is part of the experience!**

Once you have been allocated your activities you will receive a confirmation of this on 24th January via email, which will include the payment details.

**We are unable to accept any change of choices after 24th January.**

**All monies paid will be non-refundable unless a medical certificate is provided.**

### CANTEEN ARRANGEMENTS

Please remember the Hub will open every day during Challenge Week for snacks and drinks together with hot meals, pasta or a selection of sandwiches at lunchtime! If you are eligible for free school meals a packed lunch will automatically be organised and provide for you.

### TRANSPORT

All trips, unless otherwise stated, leave from and return to College. Please note that some trips may leave earlier than the normal College start time and/or may not return in time for College buses. Where possible, details have been included in this brochure.

### PAYMENTS

All payments for the activities should be paid in full by no later than 1st June depending upon the payment schedule.

## TO STUDENTS:

Challenge Week is part of the legal term time and the leader of the activity sessions will record your attendance each day. This information is passed to the attendance team who contact parents to seek an explanation for unexplained absences which will otherwise be treated as **Unauthorised Absences**. No holiday will be authorised during Challenge Week.

You do not have to wear College uniform but you are expected to attend each activity dressed appropriately and sensibly.

### The College code of conduct is always applicable.

In the interests of safety and common sense, always do as your Activity Leader tells you to do and do all you can to make the week safe and happy one for all. Activity Leaders brief you before you do any of the activities – follow their instructions. Any misbehaviour results in removal from all subsequent activities during the remainder of the week.

Activities begin at 08:50am with registration in college and finish prior to the end of the College day unless stated otherwise.

All meetings about Challenge Week are advertised via Reception, on the notice boards or in the Bulletin. If you have any queries relating to Challenge Week please see Mr Roberts or Mr Bentham.

# COASTAL CHALLENGE

£30

<b>LEAD STAFF:</b>	<b>Mr Fone</b>
<b>PLACES:</b>	<b>15</b>
<b>COST:</b>	<b>£30</b>
<b>VENUE:</b>	<b>East Soar Farm</b>

**We are going to be walking two stunning sections of our beautiful South Devon coast path and camping overnight at the halfway point.**

You'll need a day sack for the essentials - packed lunch, water, sunscreen, sun hat and waterproofs. A good pair of trainers or walking boots are fine but you will have to walk around 10 miles each day. Sound a lot? Don't worry, we'll take our time enjoying the view and the amazing wildlife we'll see.

Your overnight bag and tent will be taken to the camping venue for you, so you won't have lots to carry. Once we get to the campsite, you'll need to pitch your tent and rest-up. You'll have a BBQ supper followed by games before a good night's rest ahead of the second leg of the Coastal Challenge.

The next morning after a 'camping breakfast', we'll set off to the finish point where we'll be met by the minibus to take us home.

# CAMP AND CANOE
