

# INTERNET AND ONLINE SAFETY AGREEMENT

ICT, including the internet, e-mail and mobile technologies etc, has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

The school's policy on the Acceptable Use of Internet & Online Safety is available for parents to inspect.

Please read and discuss these Online Safety rules with your child and sign the Agreement at the bottom of this page. If you have any concerns or would like some explanation, please contact the Headteacher.

## **This is How We Stay Safe When We Use Computers:**

I will ask a teacher or suitable adult if I want to use the computers.

I will only use activities that a teacher or suitable adult has told or allowed me to use.

I will take care of the computer and other equipment.

I will only share my usernames and passwords with a teacher or suitable adult.

I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.

I will ask for help from a teacher or suitable adult if I see something that upsets me on the screen.

I know that if I break the rules, I might not be allowed to use a computer.

## **Signatures**

We have discussed this and my child agrees to follow the Online Safety rules and to support the safe use of ICT at Kingsbridge Primary School.

We will support the school approach to online safety and not deliberately upload or add any images, sounds or text that could upset or offend any member of the school community.
