Issue 09

22th November 2024

On Monday 11 November, at the Active Kingston Borough Sports Awards 2024, our cricket team collected two awards.

The first was for representing Kingston and winning at the London Youth Games in the summer!

The second was for being the Kingston Junior Team of the Year! Following our back to back successes of winning at the London Youth Games against schools across London, we were nominated for this award and our nomination turned to another accolade for the team!

Well done to Archie, Harry, Raafi, Rohan, Oliver, Harry, Troy, Harry and Seb. And of course to Mr. Foskett for training and managing the team and Mrs. Miller for her hours and hours of patient support.

SCHOOL COUNCIL

The School Council would like to thank you for all of the Read Write Inc books that you have bought for everyone to enjoy. These books will help us to develop our reading skills and to enable us to be fluent readers. It will also increase our vocabulary and improve our spellings.

We particularly like the protective covers that will help prevent the books from becoming damaged.

Everyone is also thanking you for devoting your time to raising money for our school and we are looking forward to the winter fair.

Many thanks,
The School Council

Our Attendance percentage this week is **95%**

Excellent attendance is extremely important for your child's personal, social and emotional development and their academic progress.

If your child is unwell, check the guidance located here:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/> A video short of the advice is available here: [Is my child too ill for school? | NHS #shorts](#). Children should attend school every day unless they are unwell. They should also arrive on time to school: being late doesn't give your child the best start to their learning and disturbs the learning of others.

End of term reports

We are very pleased to announce that we are introducing an end of term report for all of our children from Reception to Year 6. A report will be sent to you at the end of each term.

The report will show you your child's attainment and progress and will give you targets that you can talk to your child about.

Your child's Autumn term report will be sent to you via Google classroom on **Friday 6th December**.
