

Dear Parents and Carers,

## Parent Information Evening – Wednesday 2<sup>nd</sup> October 2024 presentations at 5pm and 6pm - Online Appointment Booking

I would like to invite you to Wigston College, how to be a successful sixth former event. You will also have the opportunity to meet your child's tutor.

I would like to say how pleased we are with the start to the year. Following the staggered start to term, students have completed a full cycle of their timetabled lessons. They have coped really well navigating their way around the building to their new class rooms, and they have embraced their lessons in a positive and mature manner.

The event will begin with a presentation in Wigston College hall at 5pm or 6pm. This is a chance to meet our Sixth Form Team and get valuable insights into the messages we have shared with students on how to be successful on level 3 courses. The presentation will include talks from our Academic Mentor, the Sixth Form Leadership Team and from current Year 13 students. The information shared during this evening will enable you as parents to offer the best support possible to your child paving the way to success. After the presentation you will be given the opportunity to meet with your child's tutor.

Tickets for either presentation are now available to book please visit

If you are unable to attend the evening, but still want to have a conversation with your child's tutor, please contact the Data Team at [data@wigstonmat.org](mailto:data@wigstonmat.org) or telephone Wigston College reception on 0116 2881611. The presentation will also be shared online following the event.

Thank you in advance and we are looking forward to seeing you.

Yours faithfully,

Mr M Ashton
